#### ECCLIASTICAL NOTES.

A PERMANENT Welsh Church is about to be established in Manchester.

DURING the year 1891 the sum of £129,000 for Church work was raised by voluntary contributions in the diocese of Southwell.

THE Marquis of Salisbury has sent a third donation of £100 towards the building fund of a new church at Barking, Essex.

THE Archbishop of York (Dr. Maclagan) has decided that every curate under him shall have one day's rest a week, and shall only be required to preach one original sermon a month.

WE understand the Rev. W. F. Chambers, who recently was received into the Roman Catholic Church, has returned to the Church of England, and has been received back again under a commission from the Archbishop of Canterbury. —*Ex.*

THE Rev. Fr. Hall, who has lately returned to England from Boston, U.S.A., is announced to give a special course of addresses on the Fridays in Lent at St. Paul's, Great Portland street.

IT is stated that the British and Foreign Bible Society has now in preparation no fewer than thirty-six new translations or revisions of the Bible. Eleven of these are concerned with the African languages and dialects.

THE Salvation Army is being boycotted in Finland. No mention of it of any kind may appear in public print. So strictly is this law being carried out, that any mention of the Army, any advertisement bearing on the movement, is sufficient to cause an entire issue of a newspaper to be cancelled.

ST. PAUL'S Cathedral, London, England is to have a considerable accession of aesthetic ornamentation of an elaborate and costly description. The choir is to be adorned with marbles, mosaics, and bronze plaques. The dome is to be enriched with statues. A baptistery will be formed round the font, which will be covered with a costly canopy. A pair of bronze candelabra for the western approach to the cathedral are to be designed by Mr. Gilbert.
