## THE Magazine of American History

Deals with every problem in American history from the most remote period to the present hour.

One of the notable features of the current April issue is Mr. N. H. Eggleston's illustrated article on "The Newgate of Connecticut," the underground prison established by that State, in the old Simsbury copper mines, just prior to the Revolution.

The versatile writer, William L. Keese, contributes to this number a tersely expressed and most appreciative tribute to the late lamented General Winfield Scott Hancock.

The discussion of the possible annexation of Canada to the United States, which is exciting great interest the world over, is treated in Mr. Watson Griffin's able paper on "The Consolidation of Canada."

The readers of this periodical who have followed Mr. A. W. Clason in his brilliant papers on the "Constitution," will be charmed with the manner in which he has drawn a pen-picture of "The Convention of North Carolina, 1788," appealing to all thoughtful Americans.

Nothing that has been written on "Shiloh" hitherto, presents such an impressive and vivid picture of the actual events of the "First Day's Battle, April 6," as the carefully prepared paper of General William Farrar Smith.

The first adequate sketch ever written from the National side, of the "Bull Pasture Mountain" battle, is presented in this number to our readers from the pen of one of the participants, General Alfred E. Lee, and will be thoroughly appreciated.

This number of the magazine contains also a stirring poem by William L. Keese, delivered at the meeting of the New York Cincinnati, February 23, 1886, in response to the toast, "Our National Independence; may it exist forever."

The various departments are filled with material of the first interest and importance.

Subscriptions may begin at any time, and all booksellers and newsdealers receive them, or remittance may be made direct to the publishers. Price 50 cents a copy; or \$5.00 a year in advance.

The price of the bound volume is \$3.50 for each half-year, in dark green levant cloth, and \$4.50 if bound in half morocco.

## TORONTO & LORNE PARK

SUMMER RESORT COMPANY, (LIMITED.)

Capital, \$50,000,

IN 2,500 SHARES OF \$20 EACH.

No Subscription for Stock will be considered binding, and no call will be made until \$20,000 is subscribed, when 20 per cent. will be payable.

### OBJECT.

This Company is to be formed for the purpose of acquiring the property known as Lorne Park, and making it a first-class summer resort.

The property consists of 75 acres of elevated woodland, and commands a splendid view of Lake Ontario. It is 14 miles from Toronto and 26 from Hamilton; it is equally accessible by rail or water, and is one of the healthiest places in Ontario. The G. T. R. track runs within 300 yards of the Park gate, and there is a substantial wharf on the lake front of the grounds. There is also a hotel on the premises, with 12 good bedrooms, large dining, ice cream and lunch rooms, kitchen and servant's apartments, bowling alley, ice-house, etc.; two open-air pavilions for the accommodation of picnic and other gatherings.

It is proposed to fit up the Hotel for the accommodation of summer boarders, and run it on the European plan, so that persons occupying cottages or tents on the grounds need not have the trouble of cooking their own meals, but pay for what they get.

NO INTOXICATING LIQUOR of any kind will be allowed to be sold on the Property, or on the Steamboats plying between the Park and the City.

Power will be asked for in the charter to own, or charter, and run one or more first-class steamboats, which will run to and from Toronto at regular hours daily through the season (Sundays excepted).

A morning and evening train service will also be arranged.

SHAREHOLDERS WILL BE ENTITLED TO TICKETS for themselves on the Steamer plying to the Park, at a reduction of thirty per cent. on the regular fares.

It is proposed to lay out 150 building lots of say 50x100 ft., which will be leased for a term of 99 years, with proper regulations as to style of building and occupancy. These lots to be put up at \$100 each; shareholders to have choice in order of their subscription.

Subscribers to the extent of \$500 of stock will be entitled to a building lot free.

Arrangements have been made for a supply of tents of all sizes, which will be supplied at cost, or rented at low rates to parties requiring them.

A proper system of water supply, drainage and lighting will be arranged for, and everything done in order to make this charming spot the most attractive of any picnic ground or summer resort in the vicinity of Toronto.

The stock book is now open, and plans of the grounds can be seen at my office.
