THE HALIFAX CONVENTION.

Matters are progressing satisfactorily in regard to the Canadian Forestry Convention at Halifax, September 1-4. A number have already signified to the Secretary their intention of attending, and there is no doubt there will be a good attendance. This and the arrangements with the railways enables the Association to promise single fare rates for the round trip to members actually attending and their ladies.

Railway Arrangements.

Railway arrangements are on the *Standard Certificate Plan*. By this delegates purchase one-way first class tickets to Halifax and secure a certificate from the railway agent selling the ticket. These certificates will be signed by the Secretary at the Halifax Convention, and when thus signed will be honored for return tickets to the starting point.

Eastern Canadian Points.

From and including Fort William, Ontario, eastward tickets will be on sale at all railway stations in Canada Aug. 28 to Sept. 3, inclusive, and properly validated certificates will be honored at Halifax for tickets
