The Toronto Star Attacks Lowry Research WE DARE YOU TO READ THIS!

The Toronto Star (Feb. 15/62) of the border, who may, possibly, doctrines on the "flat earth" and has launched a wide-open attack award the "Star's" Mr. Milt on "author - authenticity" of on me following my recent Dunnel the solid-gold member- Shakespeare's plays. bulletins which were aimed at ship lifetime pass to all winter-

found in every university community.

"Lonely Hearts Club."

However, the point at issue is, assisting our colleges avoid be- training camps and ball parks in what our colleges are going to ing high-pressured into accept- America. No doubt many of his teach in baseball courses for ing, as factual, Organized Base- readers got a great laugh out of coaches in Canada's new Sports ball's fake pitching instructions the manner in which I was por- and Fitness program. Regardless (?) which are, of necessity, in- trayed as being in some way as- of how inconsequential such cident to promoting O.B.'s price- sociated with throwing a fried question may seem, the fact is egg at Attorney General Bob that national principles of the ut-

tions accept the "curve" pitch as a factual feat of great pitching stars and thereby automatically assume the responsibility of attempting to teach how such pitching movements are supposed to be executed? It is of incalculable importance to American O. B. interests that such a policy be followed by our great national educators.

evident throughout the hockey season, then the public relations officer at this University could be employed in some other capacity. Should our colleges agree that goodwill ambassadors. Yet there are those within the student body 'Life" magazine was in error who serve as "bad will" ambassadors. These are the people who do back in 1941 when the famed nothing but complain. They refuse to participate in extra-curricular Henry Luce empire published an elaborate feature proving the Although they do not contribute to university life themselves, they "curve" to be an optical illusion, And that the feature published students and make feeble attempts to criticize the institution that in the same magazine in 1953, they chose to attend. These people are not peculiar to UNB; they're which reversed the previous findings, seemed to prove the "curve" genuine feat?

If "curve" pitch instructions are to be taught in the courses extreme cynics have never heard of the word "constructive." We for coaches, would it not be escan do little to help these short sighted people except pledge to do sential that such books as "How to Pitch" by Bob Feller and that of the "Book of Baseball" by the ence will be drawn within the limits of a cellophane-wrapped Henry Luce interests be used as official texts?

> of the ball-flight story. Such being the case it would seem that the hit-run policy of the "Star" long enough to demonstrate how (Continued on Page 8)

A STORY THE EDITOR WAS AFRAID TO PRINT

Musical programmes arranged by Professors Lane and Whalen will be presented in the Arts Centre on the evenings of March 11, 25, and April 8. They will take place between the hours of 7-10:30. Tom Morrison, a local organ expert, will be on hand to lead

discussions and answer questions. The National Gallery in Ottawa is sponsoring a collection of Maritime paintings, which will be on show until the 15th of March. These paintings have been on tour in the Maritimes for some time and have been received everywhere with wild acclaim.

Those of us who fancy ourselves as quite erudite are waiting The double-barrelled blast at me was a great triumph for the mighty barons of baseball, south most importance are riding on house headquarters" I thunder house headquarters and that from my "McGill St. rooming house headquarters" I thunder house headquarters and that from my most importance are riding on Jarvis' painting will be displayed. These works were done in Europe with a Canada Council grant. As an added attraction Dr. MacKay Jarvis' painting will be displayed. These works were done in Europe with a Canada Council grant. As an added attraction Dr. MacKay will open the exhibit.

> Beginning early in April (dates to be announced) there will be a Festival of the Arts, collection. Paintings in the exhibit will be entirely the work of the students and faculty of UNB.

Those who are interested in the many varied attractions offered by the Art Centre should immediately contact curator John Corey for pertinent information.

Air Force Outshoots Navy and Army

Since 1957 the Inter-Service Fredericton Armouries last Tuesto allow its readers learn my side last awarded to the COTC in 1957, after which the old interservice rivalry disappeared.

About a month ago the UNTD requires Sports Editor Mr. Milt and URTP cadets accepted a Dunnel himself stop and fight challenge from the Army, and after a couple practice sessions D. W. Herridge and S. R. Burcompeted for the trophy at the goyne.

The Atkinson Foundation newspaper for years has refused shelf in the COTC Hut. It was vision of the Range Officer, O/Cdt AE Cote and the COTC Adjutant, Capt. D. M. Hurley.

The competing teams were composed of:

Navy — Cadets G. R. Wilson,

Army - Officer Cadets G. L. MacLean, S. A. Colburne and J. D. Johnston.

Air Force - Flight Cadets D. F. Brady, P. A. Cassidy and C. B. Bunner.

The Flight Cadets in a surprising victory with a score of 269 out of a possible 300 beat the Navy and Army competitors who had scores of 223 and 219 respectively.
