

Niks Piks

Well folks, this week Nik lays it all on the line with his most daring column ever. Yes, it's time for Nik to pick the Real Women on campus.

As you know Nick the Greek of the *Bumswickan*, did a real men column a while back, and the *Bumswickan* being more open minded, felt it only fair to give the gals equal time. Well, here goes.

UNB's Real Women

Colleen Doofressnay - She's a real woman, and I'm not big enough or stupid enough to say otherwise.

Derol McFoley - She's (he?) is only half a woman.

Krassten Boddywin - not a real woman, real women can keep track of their men.

Cruisin' Speed - not a real woman, real women don't date Irishmen.

Steve Makky-lindon - he's a real women, enough said.

Boopsie - she's a real woman, because only real women are called Boopsie.

Mary Dickland - definitely not a real woman. Real women don't moan without reason.

Susan Kneol - not a real woman, cause real women date real men.

Mary Abradum - real women don't run escort services.

Willing Stevenson - real women don't have to wear Angora sweaters.

Christ Stalker - she's not a real woman, because she's a real man.

Ciller Cowalski - Killer's a real woman, because he really is a woman! This came as no surprise to the *Bumswickan* women who have always said Killer had no balls, when he was a no-show at the media bowi.

Well there you have it, UNB's real women on campus.

Intrromurals

The Titbits Tippy-Toes won the intramural Bed-Pan Relay Race championship, held at the UNB Health Centre last weekend. They defeated the McLude Manhandlers to capture the title for the third year in a row. The Manhandlers had a hard time getting things going, as they ran into some plumbing problems, and never really could catch up to the quick-starting Titbits crew. Titbits captain "Quick-draw" Mackinaw said, "The secret is in the wrist action -before each match, we all flick 10 bottles of Alpine down, to help us get off to a fast start."

Just a reminder to all those still interested in taking part in the intramural beaver hunt to be held at various hotels around the town, you can still sign up! We have a few more spots open, so hurry down to the gym and sign up. You're advised to bring along any kind of paraphernalia which you might find useful in this activity, as the furry little critters can sometimes be tricky little devils to catch!

The UNB Intramural Dept. will be holding a free recreational skate on the St. John River this Sunday (provided the ice doesn't melt). The ice is pretty rough, and all participants are urged to bring their own pillows.

The Rape Squad holds practise every night at 7:00 p.m. All girls welcome. Please wear loose fitting clothing.

The Biology Department will be holding their third annual frog swallowing contest at the pond in the football field. BYOF.

Depressions

by Zeke Bennen

Hi there sports fans! Some of you may be wondering why I, who know nothing about hockey am writting a column about a team, the Fredsville Depress, that has nothing to do with the university. I do it for the free food and beer! Anyway on with the column.

The Depress won a cuple, lost one and tied one on last week. A few players scored (on the ice as well), the cheerleaders were nice, the goaltenders let a few goals in and Coach Jock Demers said his boys had alot of class (he couldn't have been with the boy's last night at the Klub Kosmo).

In addition some players have been called up numbers (don't look at me I don't know the names) 0,5,2,7,14,19; some players have been sent down,some have been traded and one was even injured, trip over his skate going on the ice.

In this weeks stangest play, the Zamboni driver got a game misconduct for running over the referee at the 10:56 mark of the first period. Now the strange part about it was that it took him three tries to do it. I beliefe that they should get a new driver,preferably someone more competent. Three tries, come on!

This is personal complaint against the Aiking Centre. Just where do you get your hot dogs from?! My God, (sorry boss) one of them bit me on the nose the other night. Get on the ball Gordo.

Dear Bert, the beer was not cold this week; do something about it, eh!
Bye, Bye for now Sports Fans.
