EDUCATION FIRST

Am I eligible to Vote?

Any returning student is eligible to vote in this election. The only students who cannot vote are first year out of province students who moved to Nova Scotia after August 12, 1998.

I wasn't enumerated!

No problem. You can be sworn in at your polling station. Simply bring two pieces of photo ID and a utility bill or document with your name and local Metro address on it.

Where do I vote?

Your enumeration card will have your polling address on it. If you do not have your enumeration card contact Elections Canada at 429-3250, or a local political party. Even better contact the DSU Elections Hotline and we will give you all the information. We will be open Monday March 23 and Tuesday March 24. 494-6762.

How will I get there?

No problem. The DSU will pick you up, drive to the voting poll and return you. If you want to vote, we'll getcha there.
