MAY 26 Ent'd

Dear Sir,

Our Indian Agent at Pelly complains that Halfbreeds are instrumental in procuring liquor for the Indians of his district. Would it be possible to place one of your constables at Pelly? I know you are very short of men but hope you will do the best you can.

Yours truly,

L.W. Herchmer Esq.

Commissioner N.W.M.P.

Regina.

Assa.
