Dear Mr. Harkin:

As I think Col. Clyde Scott has already advised you, I would like to get buffalo skins for a coat for my eldest son, Ted. I might indeed desire to get coats for two others but of this I can advise you later.

My thought is that these could be got through your Department. Of course, I don't want them for nothing, but want to pay what is reasonable for them and then get them made. You might advise me if this is possible and when and at about what price.

Thanking you indeed if you would and with kindest personal regards,

Yours very truly,

Mr. J.B. Harkin,
Superintendent of Parks,
Interior Department,
Ottawa, Ont.
