

Ottawa, 1st August, 1906-

Sir,

Referring to your Land Return for May last, which includes an entry under Sale I526 shewing a payment of \$10.00 by Thos. B. Greenman, on account of Lot 2, Con. 5, Barrie Island, I have to inform you that as this Lot stands on the Books of the Department, by Assignment, in the name of Thos. Latta, it will be necessary to furnish an Assignment from him to Mr. Greenman, before the payment can be credited. If, however, a written statement is furnished shewing that Mr. Greenman paid the amount on behalf of Mr. Latta, it can be credited upon the Sale.

This matter should be attended to at the earliest possible moment, in order that your Return may be disposed of in time for the Annual Report.

Your obedient servant,

*L. J. Latta*

Secretary-
