

Preface.

IN studying the history of Niagara and vicinity the graveyards have been found a fruitful source of information, and over fifty of these have been personally visited. The original plan was to copy records of early settlers, United Empire Loyalists, Military or Naval Heroes, or those who have helped forward the progress of the country, as Clergy, Teachers, Legislators, Agriculturists, etc., besides this any odd or quaint inscriptions. No doubt many interesting and important inscriptions have been omitted, but the limits of our usual publication have already been far exceeded and these remain for another hand to gather. To follow the original lettering was desired, but the additional cost would have been beyond our modest means.

Heartly thanks are here returned for help given by Col. Cruikshank, Rev. Canon Bull, Dr. McCollum, Mr. George Shaw, Rev. A. Sherk, Miss Forbes, Miss Shaw and Miss Brown, who all sent inscriptions from their own vicinity. It is hoped that the index of nearly six hundred names will be found of use and that our tenth publication will receive as kind a welcome as have the other pamphlets sent out by our Society.

PREFACE TO SECOND EDITION.

As the first edition was completely exhausted long since, and many requests have been made for copies, with which it was impossible to comply, this second edition is sent out, containing much additional material. Over a dozen graveyards have been visited lately and inscriptions copied. A complete index is given, the page of contents is also made alphabetical, and a few corrections have been made. Thanks are extended to H. H. Robertson, Hamilton, for assistance in exploring the Hess and Barton graveyards.
