RYAN & Co.,

(FROM BIRMINGHAM,)

HAVING a Partner in England, can purchase at *as low Prices* as any other House, and respectfully solicit a continuance of the very liberal support they have received since their arrival in Toronto.

As "BROWN'S DIRECTORY" is likely to have an immense circulation in this City and the Home District, R. & Co. are most happy to have such an opportunity of returning thanks to all classes for their patronage; and at the same time to assure them that they will continue to adhere to the plan of giving every advantage to "cash purchasers." They will endeavour to keep on hand a good assortment of useful articles, among which will be found—

Knives and Forks, Spoons, Candlesticks, Snuffers and Trays, Pots, Pans, Ovens, Tea Kettles, Stoves, Pen Knives, Razors, Scissors; Carpenters', Coopers', and Joiners' Tools; Saws, Locks, Hinges, Nails, Glass, Putty, Paints, Logging Chains, Traces, Back Bands, Well Chains, Single and Double Guns, Rifles, Pistols, Powder, Shot, Caps, Flints, Gun Locks and Implements, &c. &c. &c.
