

During hunger labor is injurious.

Case of Chills and Fever Cured by one Bottle of Ready Relief.

CHICAGO, January 12, 1872.

DEAR SIR: I got a bottle of your Radway's Ready Relief, for the FEVER AND AGUE. I have only taken half o' it, and I am sound as ever I was in my life. I got a box of your Pills; I have taken three doses of them, and now all the family are taking them.

J. W. ROBINSON,

Chills and Fever Cured by a Bottle of Ready Relief, and a Box of Radway's Pills.

MR. RADWAY:

SIR: After suffering with Chills and Fever for six months, and had taken nearly every thing I could hear of recommended for Chills and Fever, I was induced, by reading your advertisement in the *Lafayette Journal*, to try your Ready Relief and Pills. I have taken one bottle of Relief and a box of Pills, which completed the cure.

JAMES L. GILL.

POOLSVILLE, Ind., March 4th, 1875.

COLIC.

A RELIABLE AND CERTAIN CURE FOR COLIC.

NEW YORK, June 3, 1871.

DR. RADWAY: I have been for many years a sufferer from attacks of Colic, attended with the extremest agony, lasting for several hours. In reading your "False and True" I saw that you attributed this pain and trouble to ACIDITY IN THE STOMACH, and remembered how you said it must be treated. Your Ready Relief and Pills have just subdued the pain, and brought me through a severe attack. In the excess of joy, I say to you that you are right. I used to think my trouble was in the lower bowels. I am now satisfied, as you say, that it is ACIDITY IN THE STOMACH. Your Ready Relief is the ANTIDOTE. It stopped the pain after a few doses, taken with short intervals, and corrected my stomach. But you must take a dose of the Regulating Pills after the Relief has moderated the pain. I took them right away—powdered seven in a teacup, with water, and then swallowed the dose. They operated in forty minutes and completed the cure in the happiest manner. The Pills did not interfere with the Relief.

I wrote to you, as above, in 1871. I now say that experience only confirms what I then wrote as to the reliability of your Ready Relief and Pills, in cases of Colic, Cramps, Bilious Colic, and all Bowel Complaints. They cure *tuto, cito, et jucunde*—SAFELY, QUICKLY, and PLEASANTLY.

Respectfully,

FRANK H. LEWIS,
New York City.

Messrs. RADWAY & Co., August 20th, 1877.

In cases of LUMBAGO and RHEUMATISM, RADWAY'S READY RELIEF NEVER FAILS.

Strong Testimony from Honorable George Starr as to the Power of Radway's Ready Relief in a Case of Sciatic Rheumatism.

NO. 3 VAN NESS PLACE, NEW YORK, Jan. 2, 1873.

DR. RADWAY: With me, your Relief has worked wonders. For the last three years I have had frequent and severe attacks of sciatica, sometimes extending from the lumbar regions to my ankles, and, at times, in both lower limbs.

During the time I have been afflicted I have tried almost all the remedies recommended by wise men and fools, hoping to find relief, but all proved to be failures.

I have tried various kinds of baths, manipulations, outward applications of liniments, too numerous to mention, and prescriptions of the most eminent physicians, all of which failed to give me relief.

Last September, at the urgent request of a friend (who had been afflicted as myself.) I was induced to try your remedy. I was then suffering fearfully with one of my old turns. To my surprise and delight the first application gave me ease, after bathing and
