A healthy child
will have a
healthy appetite

A pantry filled with delicious dainties, to satisfy the between meals appetites of your growing young ones, is a better investment than a medicine chest.

You won't need medicine when you use

PURITY FLOUR

for all your baking

The first requirement of health is proper food, and in PURITY FLOUR, the perfectly milled product of the world's best wheat, we offer the nearest approach to food perfection.

Use the coupon to secure a copy of The Purity Flour Cook Book, containing 631 tried and tested recipes for all manner of dishes for all meals.
