ROOF for the Years to Come

Just one roof is GUARANTEED in writing to be good for 25 years and is really good for a hundred. That's a roof of

"OSHAWA" GALVANIZED STEEL SHINGLES

Put them on yourself—common sense and a hammer and snips does it. The building they cover is proof against lightning, fire, wind, rain and snow. They cost less because they're made better, and of better material. Write us and learn about ROOFING RIGHT. Address 805

"Galt Shingles"

The new "Galt" Steel Shingles and Sidings are the surest protection from the fiercest storms that rage—yes, even lightning storms.

They are made from the Best British Galvanized Steel Plates, which shed lightning like water from a duck's back. No wind, rain or snow can penetrate the new Gale-proof, closed-end side-lock or the continuous interlocking and overlapping bottom joint. They are twice as securely nailed as any other—that's very important.

They are easily and quickly laid, and the Bold Gothic Tile pattern makes a very handsome roof.

They cost no more than ordinary metal shingles—why not have the "Galt Kind?" Our free Catalog "B-3" explains all about them.

THIS IS THE SHEET METAL AGE.
