Please Mention The Farmer's Advocate

Simplicity of Construction means durability—easy running

The Frictionless Empire has fewer wearing parts than any other cream separator. For instance, it has no closed bearings on the spindle where other separators have at least one and generally two. The less parts the less wear—the less chances for getting out of order.

The EMPIRE Line of Cream Separators

You don't have to be a mechanic in order to take the Frictionless Empire apart and put it together again correctly. The Frictionless Empire is so constructed that each part is made to fit just one place and to go in that place in one way only. It is simply impossible to put the parts of Frictionless Empire together wrong.

The Frictionless Empire outclasses all other cone separators the same as the Empire Disc outclasses all other disc machines.

Whichever style of Empire separator you choose you are bound to be satisfied, for both are sold with a guarantee as good as a gold bond.

Ornamental Wire Fence

8 C PER RUNNING FOOT

We pay the freight on this extra heavy FREIGHT galvanized, guaranteed fence to any PREPAID part of Canada.

FROM LOOM TO LAWN Regal fencing is woven on our own looms. We are one of the largest buyers on the Canadian fence wire market, our buying price is 20 per cent. lower than that of any other manufacturer. We employ no agents nor jobbers, but sell direct to the consumer, saving you the dealer's commission. Cost of raw material plus the cost of labor plus our one small profit equals our inside price of 8 cents per foot and up.

EXTRA REGAL FEATURES The Regal Oval Top Ornamental Wire Fence marks a new epoch in the Canadian fence industry. Never before has any firm made a fence as good as we make the Regal and sold it at the sacrifice prices we ask. The Regal is beautiful, artistic and durable; it will protect and increase the value of your property; it will enhance the attractiveness of the grounds of any mansion, cottage, farm-house, church, school, public building or park; it won't rust, corrode, sag nor require propping. No matter where you live, it will cost you from 25 to 65 per cent. less than the fence sold through your local dealer. It embodies the following: Uprights, No. 9 wires that are three inches apart and crimped from end to end; line wires, each embrace two No. 12 wires twisted alternately between each stay; special feature, both upright and line wires are doubled at the top. Made in any length desired.

ASTONISHING LOW PRICES By the introduction of new methods, up-to-date machinery and the employment of skilled wire experts, we have cut the cost of manufacture lower than that of any other fence factory. This economy added to our low buying cost enables us to quote the very best inside prices and at the same time offer a much superior fence than you can buy elsewhere for double the money. Prices:

| | |
|-----------------|--------------------------|
| 36 inches high— | 8 cents per running foot |

For Alberta and British Columbia, add 4 cents per foot. This increase over Old Ontario prices is due to the additional freight rates which we pay.
