It will only take two minutes to read our

SPECIAL OFFER for JUNE and JULY.

WE will pay freight on all orders we receive during June and July at our regular price, or we will accept notes on reliable parties, payable in 2, 4 or 6 months time. This offer is good for only the two months named. We guarantee our Cooker to cook more feed and heat more water in less time and with less fuel and attention than any cooker made.

Take advantage of our **Improved Reliable Food Cooker**, special offer and get the **Tank Heater and Steam Generator**, one of the greatest feed savers, labor savers and money makers the feeder can possibly have. Cooks a barrel of ground feed in 30 minutes; 25 bushels of ground corn in 2 hours; heats a barrel of water hot enough to scald hogs in 20 minutes; will heat water in tanks 100 feet from Cooker. Used and recommended by feeders throughout the United States and Canada. Highest awards at Omaha Exposition in 1898, and at Toronto, Canada, and at Dallas, Texas, in 1899, and at State Fairs everywhere. Sold on a positive guarantee. Your money back if it does not come up to the contract. Send for 1900 Century Catalogue and introduction price. The Ripley Company proved its claims to superiority by taking first premiums at the Chicago, St. Louis, and Cedar Rapids Poultry Shows in Jan., 1900. It has no flues to rust out or leak. No scorched feed if you use it. The best machine of any kind proves the cheapest in the end. Write us at once for new Breeders' Supply Catalogue.
