AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me. CHERRY PECTORAL saved me.

HOBACE FAIRBROTHER."
Rockingham, Vt., July 15, 1882.

Croup. - A Mother's Tribute. "While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from stranguit seemed as if he would die from strangu-lation. One of the family suggested the use of AVER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doc-tor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours, Mrs. EMMA GEDNEY."

159 West 128th St., New York, May 16, 1882. "I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds we have ever tried. A. J. CRANE." Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHER-JOSEPH WALDEN. Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles. E. BEAGDON." Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always ours when the disease is not already beyond the control of medicine. PREPARED BY

" A. L. O. E. (Miss C. M. Tucker) may be termed a writer of sanctified fiction. There have been many of these, yet, judging by the hold her stories have had upon the jouthful mind, she has been queen of them all. Gifted with the genius and possessed of the arts of the popular novelist, she knew how to catch at ention and hold it. Her productions were characterized by ingenuity of plot and happiness of diction. But she was not content with endeavor simply to entertain. The spiritual profit of the reader was the prime purpose, and all else was bent to that end. Her work shows that shacutely comprehended child nature. Some writers tell a story with no inherent instruction, and app. nd a moral. The child reads the story, skips the moral, and is nothing profited. Miss Tucker interweaves the two so that they cannot be separated. Every turn in her narratives illustrates some in portant truth or enforces some valuable lesson.' - Davig Witness.
