What the Ladies Say.

TO Dineens' for children's headwear. There is nothing very new in the styles that are seen in the big dry goods stores, and last year's shapes comprise the displays of most patterns. Why to Dineens? Because there you'll see everything new under the sun in nobby hats and caps for the little ones. The assortment of styles and the stock are the largest, and Dineens' prices are the lowest in the city. These are two points of importance to people who buy hats for children.
