## Will you accept 25c for 1c?

It costs you 1c to send us a postal card. But in return we will mail our 1913 Style Book and 72 pattern pieces of the finest English suitings you ever saw.

The catalogue and patterns actually cost us 25c, delivered into your hands.

Why do we do it? Because we know that when once you realize the advantages of buying your clothes direct from us in London, you will become a firm and permanent customer of ours.

We undertake to prove to you that you can buy your suits direct from us and get better materials and better tailoring than you could get from your local tailor, even if you paid him just double what you would have to pay us.

The reason for this is clearly explained in the letter that we send with the Style Book and patterns.

### MAKE THIS TRIAL

When you get the patterns, pick out the cloth you like, take it to your local tailor, ask him what he would charge to make a well-tailored suit of that quality of material. Then compare his price with the price asked in our catalogue. We are content to abide by the result of your own test. That's fair, isn't it?

Write for these patterns today, before you forget it. They will be sent by return mail. Address Canadian office, nearest you.

### PROFITABLE POLICIES

To hold a Great-West Policy is to be assured of satisfactory returns. The following expression — by a conservative and highly successful financier—typifies the general experience:—

"Your favor to hand with cheque for \$3,826.50 in payment of my Policy. I may say the result is very satisfactory—in fact the amount paid me is more than I looked for."

Look into the Policies that assure such satisfaction.
