Wholesale Grocers

TORONTO

**Consistency** <sup>Is</sup> <sup>Evidently</sup> **Appreciated**

We have always consistently studied the interests of our customers, as well as of the Public, by offering our Teas at such prices that they yield a fair margin to the dealer, and are of such quality that when compared with other teas they are bound to be appreciated

**By the Consumer**

The fact of our continuing to supply the needs of both the Grocer and Public alike, has brought us many grateful letters from our friends, and the continued and steady increase in OUR SALES from month to month gives us ample proof that our methods of conducting our business are appreciated BY BOTH.
