Your Boy

Perhaps you are the mother of a boy, or his big sister, his teacher, in fact, if you are in any way connected with a boy, you cannot afford not to be interested in our plans for boys.

"The Guide" has always had the welfare of the boys on the farm at heart and has done everything in its power to help them. But this year The Guide is making very special efforts in a practical manner on behalf of every boy who takes part in our competitions. The very fact that your boy may have the opportunity of meeting people regularly, overcoming their opposition, and finally winning the little order will bring a feeling of self-confidence to the lad which will stand him in good stead in after years.

We want a large number of real, live, energetic boys to help us, and we are willing to pay liberally for their services. The boy who can sell a little thing will later be a man who will be entrusted with big things. Write for full particulars today. Address:
