FEDERAL LEAGUE

ROACH AT SHORT FOR BUFFALO FEDS.

Buffalo, June 22.—The poor support given to Bedient by the local team in the early part of yesterday's game was largely responsible for Kansas City's 9 to 5 victory. Buffalo out-hit and scored more runs than the visitors. "Roxy" Roach, late of the Toronto Internationals, appeared in a Buffalo uniform at short yesterday. The score:

Kansas City	9	11	2
Buffalo	5	12	3
Cullop and Easterly; Bedient, Marshall and Blair			

PITFEDS IN SECOND DIVISION.

New York, June 22.—Newark defeated Pittsburgh 3 to 2. The score:

Pittsburgh	2	9	1
Newark	3	10	1
Dickson, Hearn and Berry; Falken- berk and Raden.			

HOME RUNS WINS THIS GAME

Baltimore, June 21.—Home runs

brought about Chicago's defeat by Baltimore yesterday 7 to 2. Knabe's drive over the left field fence with one on tied the score in the sixth inning. In the seventh, Duncan was walked purposely, filling the bases, and Sinn then hit into the right field bleachers, cleaning up. Bender pitched well throughout. The score:

Chicago	2	8	1
Baltimore	7	8	1
Fredergast and Fisher; Bender and Owens.			

OFF TO A GOOD START.

Brooklyn, June 21.—St. Louis gave Davenport a five-run lead to-day by securing two doubles, two singles and two passes off Seaton in the first in-
ning. Davenport pitched great ball and received errorless support, win-
ning easily, 8 to 2. Deal's batting and Johnson's fielding featured. The score:

St. Louis	8	14	0
Brooklyn	2	9	2
Davenport and Hartley; Seaton, Wilson and Land.			

AMERICAN LEAGUE

Philadelphia, June 22.—Bad pitch-
ing by the New York twirlers gave Philadelphia two victories yesterday, 7 to 6 in ten innings, and 12 to 7. In the first game the home team scored four runs in the fifth inning and made only one hit, a double by Walsh, and in the second inning of the closing event secured only two singles, and yet tallied five runs. The score:

First game—	R. H. E.
New York	6 9 3
Philadelphia	7 7 5
Batteries—Keating and Nunamaker, Bush, Bressler and Lapp.	

Second game—	R. H. E.
New York	7 9 3
Philadelphia	12 7 0
Batteries—Caldwell, Pich and Sweeney, Schwert, Nunamaker, Shaw- key, Bush and Lapp.	

At Washington—Boston and Wash-
ington divided yesterday's double-
header here, the visitors winning the
first game, 8 to 3, and the locals tak-
ing the second, 6 to 5, in ten innings.
Hard hitting enabled the Red Sox to
take the first contest. Boston used 16
men in the second game, trying to
overcome a five-run lead which Wash-
ington obtained off Shore in the third
inning. Milan's miff of Gardner's
fly, with two out, paved the way for
tying the score in the ninth. The lo-
cals won out in the tenth, when Milan
beat out an infield hit, was sacrificed
to second, and scored on Morgan's
single. The scores:

First game—	R. H. E.
Boston	8 12 2
Washington	3 6 3
Batteries—Ruth and Thomas, Shaw, Gallia, Hooper and Henry, Ainsmith.	

Second game—	R. H. E.
Boston	5 7 3
Washington	6 10 1
Batteries—Shore, Collins, Pennick, Mays and Cady, Thomas; Boehling and Ainsmith.	

Only two American League games
scheduled.

preparation. The meeting of these
five alone is sufficient to give the race
much importance, in fact it will no
doubt prove one of the most impor-
tant racing events of the year in Can-
ada.
Everything is in readiness for the
opening, and if the Club is only fav-
ored with fine weather, the meeting
should be the most successful from a
racing standpoint of any in Canada
this year.

ALGONQUIN PARK.

Two thousand feet above the level
of the sea, Algonquin Park, the high-
est point in Ontario, offers an ideal
territory to all who are looking for
some place to spend the summer. The
angler can find here excellent fishing
(s. m. black bass, speckled trout, cat-
fish, minnow and gray trout), the busi-
ness man can find rest and recreation,
and those who are run down will
quickly regain health and strength.
It is the objective point for those
who love nature, fresh air, high alti-
tude, simple living and fellowship
with kindred spirits. Good hotel ac-
commodation.

BRANTS SHOW REVERSAL
OF FORM AND WHITE-
WASH THE SAINTS 2-0

MANAGER WARNER WAS IN THE BOX FOR THE LO-
CALS AND WAS NEVER IN DANGER, ALLOWING
ONLY FIVE HITS TO BE MADE OFF HIM DURING
ENTIRE GAME—LAMOND RELEASED.

After a disastrous trip to Guelph
in which the Brants did not have a
game put in the win column, they wan-
dered into St. Thomas yesterday and
managed to apply a nice coat of white
wash to the Railway men by the score
of 2 to 0. Warner was on the mound
for the locals and pitched airtight ball
while the team held without an error
behind him, which is altogether a
different from the reports of the
games in Guelph. There were a few
changes on the team, which probably
added to the playing strength. Dunn,
who has been putting up a star gam-
e in left field, has been behind the plate
in the last two games.

Many fans will be sorry to learn
that Matty Lamond has been re-
leased, but Matty has been off color,
especially in Guelph.
Cooper, last year catcher for the
Erie team in the Canadian league, has
been signed, and is supposed to have

reported to Manager Warner in St.
Thomas. He will add both hitting
and fielding strength to the team. His
batting record for last year was .301
while he fielded for a high percent-
age around .981. Walker, a pitcher
who has been mistaken for Baker,
from Ohio, has been signed up. His
record last year was 22 wins and 11
losses.

The Saints yesterday were out hit
and outplayed, and could not touch
Warner at all. The result was that
the Brants took the first of a promised
and much needed series of wins. It
proves that there is ball in the team
and with good co-operation, it can
be brought to the fore. Two single
allied fleet for the past few days, lead-
ninth were sufficient to count.

The score by innings:
Brantford.....000 000 101—2 8 0
St. Thomas.....000 000 000—0 5 2
Batteries—Warner and Dunn; Ho-
wick and Harris.

ASSISTING RUSSIA.

The traffic arrangement by which
the C.P.R. will represent the Rus-
sian Government in providing for
through freight services from the
Dominion to Russia by the Trans-
Siberian Railway and the Russian
Volunteer Fleet, which is an auxiliary
of the railway is an amplification
of the connection which the company
has sustained with the Trans-Sib-
erian Railway which is a state-owned
system. The Company has offices in
Moscow and Petrograd in which it
does business in the railway in which
it would seem strange that the com-
pany should do business in either
city it need only be men-
tioned that the C. P. R. is the only
railway in America which is a mem-
ber of the Round the World Confer-
ence of which the executive of the
Trans-Siberian Railway is a chief
element. The Canadian Pacific, in its
round-the-world tours, uses of course,
the Trans-Siberian Railway line which
the average Russian always calls the
"Transcontinental" line—this being
the notion the system conveys to his
mind. On this line there are three
types of engine—the wood, oil and
coal using engine. The wood engine
is a special type, which is not built
at all on this continent, but it serves
the purpose in the physical circum-
stances on the system, which is dis-
tinguished in several ways from
those on the continent.

DROPPED FROM BRIDGE;
WAS DASHED TO DEATH

James Slidders of Toronto Be-
lieved to Have Ended Life
in Despondency.

Elora, June 22.—Last night about
10 o'clock, James Slidders ended his
life by dropping from the Irvine
Bridge here. He was dashed to
pieces on the rocks below, the fall
being about a hundred feet. He was
about fifty years of age and had been
attending the funeral of his wife's
mother, Mrs. Alexander McCrae. His
home is in Toronto. He leaves only
his wife. He had been in poor health
since Christmas, and of late it is said
had been acting strangely. He left
the house last night apparently to
go for a walk and it was not until
this morning that his mangled body
was found.

IS OVER GREAT LAKES.

When you use the Grand Trunk
Lake and rail route between Eastern
and Western Canada more than five
hundred miles of your journey is
covered by steamship—a magnificent

planned. Full service will be inau-
gurated on Saturday, June 19th, with
the sailing of the S.S. "Noric," flag-
ship of the Northern Navigation Co.'s
fleet, from Sarnia, Ont., for Port Wil-
liam and other points. Throughout
the season there will be three sail-
ings each week, viz., Mondays, Wed-
nesdays and Saturdays. Special
Grand Trunk train leaves Brantford
for Sarnia at 1.15 p.m. each sailing
day carrying passengers and baggage.
Special train also carries passengers
from Port William to Winnipeg.

CELEBRATE AT FRONT

By Special Wire to the Courier.
London, June 22.—The Prince of
Wales will attain his majority to-
morrow. At the request of the king,
there will be no public celebration of
the event. The Prince will not come
back to London for the occasion and
the numerous addresses of congrat-
ulation prepared by various civic and
patriotic bodies will be forwarded to
him at the front.

Arrangements are under way for a
great memorial service in St. Paul's
Cathedral, London, Ont., for Lieut-
Col. Campbell Becher, commanding
officer of the Seventh Fusiliers, who
fell in Wednesday's fighting at Fest-
ubert.
