

THE KINGDOM OF GOD IS AT HAND

Lecturer of Seventh Day Adventists Exhorts Hearers to be Ready.

A theme of special interest was delivered last evening by Elder F. W. Johnston of Ottawa, at the opening meeting of the Seventh Day Adventists convention, now being held on the camp ground near Rawdon street, on Colborne St. East. Taking for his text Daniel 2:29, he outlined a prophecy foretelling the rise and fall of four great universal monarchies, beginning with Babylon and followed by Medo-Persia, Greece and Rome, the latter one of which was divided in ten parts corresponding with the specifications of the prophecy. Mr. Johnston showed that the most of these kingdoms which divided up Rome were still in existence to-day, among them being England, France and Italy, Germany, Portugal and Spain, etc. When coming to this part of his lecture he inquired: "What kingdom is there that is specified in prophecy that is yet to bear rule over all the earth?" Germany, before the present European conflict looked forward with anxious anticipation when she would bear undisputed domination. But alas, her hopes are gone. No longer does she hope to realize her dreams. And why is such a prospect altogether impossible? Because, as Mr. Johnston said, the prophecy is against it. There is but one kingdom, and that is yet to come that will bear rule over all the earth. That kingdom, he said, is the Kingdom of God. He described this future kingdom from various Scripture statements, and showed that such would not be set up till all earthly rule is destroyed. That time, however, so he said, was very near. Christ's second coming brings the final end of all. He exhorted all to be ready for that time. A goodly number of delegates were present from various parts of the province, together with many others of this city. The people of Brantford are given a hearty welcome to attend.

McGraw to Groom Kelly
And Make a Pitcher Out of Him This Season.

John McGraw has decided to make a pitcher out of George Kelly, the Giants' extra first baseman and outfielder. Kelly is built for box work, in McGraw's opinion, and he already has started to practise on the mound. The big fellow is six feet four inches tall and has a powerful arm. He never pitched a ball before last week, but when McGraw told him to serve to the batsmen in practice he showed unusual skill. He developed a world of speed, also a curve ball which made the Giants open their eyes. McGraw intends to groom Kelly for the rest of the season, and may also try him out in a regular game if he continues to improve.

While with Guelph in the Canadian League last year, Kelly was deemed by many critics the star first baseman of the circuit.

WILL PROTECT BASEBALL FANS
Chicago, June 20.—Among the Washington club's failure to live up to the announcement that Pitcher Walter Johnson would be Ed Walsh's opponent in the game here last Tuesday, President Johnson of the American League yesterday considered the inflicting of a heavy fine on the club, and the sending of notices to other clubs that such announcements must be lived up to. One of the season attended the game, drawn partly, it is presumed, by the news that in Walsh's attempt to come back Johnson would oppose him.

ANNUAL MEETING OF BRANT COUNTY LAWN BOWLERS

Enthusiastic Gathering Last Night at Dufferin Club.

An enthusiastic gathering of bowlers assembled at the Dufferin Club last night to elect officers for the year and make arrangements for the Seventh Annual Brant County Tourney, which begins on Saturday Dominion Day, at 9 a.m. Previous to the meeting, rinks from Paris, Mount Pleasant, Echo Place and the city clubs enjoyed a friendly game. President, Mr. Jas. Smiley, called the meeting to order, and after the winding up of the past year's business, was succeeded by the new President, Mr. W. H. Biggar, Mt. Pleasant.

That keen interest will be taken by the various clubs is assured from the fact that both trophies are almost won already. That is, if the Lloyd Harris cup is won by the Heather Club once more, they own it. The same applies to the Telephone City trophy—Paris having won it in 1914 and 1915. But bowling is like many other games, uncertain, and the newer clubs will make a serious attempt to carry off the silverware, which has to be won three times by any club before they can own it.

The officers elected are: Hon. Presidents, W. F. Cockshutt, M.P., Lloyd Harris; President, W. H. Biggar; Vice-Presidents, J. G. Cohoe, P. Corey; Secretary-Treasurer, R. C. Burns; Executive, Messrs. J. A. Ogilvie, E. C. Tench, A. A. Lister, A. Gardiner, D. Adams, Geo. E. Watt, J. Smokey, G. R. Inksater, G. W. Hall, W. N. Lewis, W. J. McNeilly, J. McLaren, A. McEwen, F. S. Blain, J. C. Spence.

Umpires—R. Inksater, Dr. Wiley, T. McPhail, F. E. Sheppard, R. Gowman, E. Edmanson, W. R. Turnbull, T. L. Wood, H. F. Patterson, D. Adams, Morgan Harris.

The draw will be made 29th June at 8 p.m. at the Heather Club by the following: Messrs. T. L. Wood, T. McPhail, A. A. Lister and G. Watt.

RIGHT THROUGH SCREEN
GOES BAKER'S HOME RUN

Cleveland, O., June 20.—The Indians battled gamely yesterday afternoon and all but beat the Highlanders after Donovan's men had acquired a five-run lead in the first inning. With two on in that round, Baker drove a home run through the screen in right field. Magee, Gedeon and Nunamaker followed with hits. The Highlanders scored another in the second. Meanwhile the Indians plugged along, scoring two in the first, tying the score. New York scored the winning run in the seventh on a double by High and Baker's single. Score:—R. H. E. Cleveland . . . 20 20 20 000—6 .9 .1 New York . . . 51 00 0 100—7 .11 .2 Coveleskie, Bagby and O'Neill; Caldwell, Fisher and Nunamaker. Only one American League game scheduled.

RICHMOND BEAT BIRONS;
FULLERWEIDER HIT HARD

Richmond, Va., June 20.—Richmond easily defeated Buffalo yesterday, 13 to 7. Fullerweider was knocked all over the lot from the very start and Richmond soon overcame the three-run lead which the visitors assumed in the first inning. Thereafter Buffalo was hardly a contender. Score:—R. H. E. Buffalo . . . 30 00 0 1300—7 .4 .1 Richmond . . . 52 20 3 010x—13 20 .2 Fullerweider and Onslow; Rhoades and Reynolds.

LUDEKUS' HOME RUN ENDS

BRILLIANT PITCHING DUEL
Brooklyn, June 20.—Ludekus' home run over the right field wall in the seventh inning, scoring Whitted ahead of him, gave the Phillies a 3 to 2 victory over the Brooklyn league leaders yesterday. Steady showers spoiled a fine pitching duel between Alexander and Pfeffer, and forced the postponement of the second game of the scheduled double-header because of wet grounds. The Dodgers tried valiantly to tie things up in their half of the eighth, Meyers' double and Pfeffer's single scoring a run. Two hits in the ninth failed to help the Robins. Score:—R. H. E. Philadelphia . . . 00 00 0 0200—3 .9 .0 Brooklyn . . . 00 00 0 1100—2 .9 .1 Alexander and Kiltner; Pfeffer and Meyers.

STORY OF BUNCHED HITS
Cincinnati, O., June 20.—Three hits, one double, in the third inning, gave St. Louis a victory over Cincinnati yesterday by 3 to 1. Ames held his former team-mates to eight hits and was most effective with men on bases. Score:—R. H. E. St. Louis . . . 00 00 0 0010—3 10 .1 Cincinnati . . . 00 00 0 0010—1 8 .1 Ames and Snyder; Schneider, Knetzer and Wingo.

New York-Boston, wet grounds (only three games scheduled).

WINNIEP OUTFIELDER
BREAKS WALSH'S RECORD

Winnipeg, June 20.—Hank Miller, Winnipeg's big centre fielder, who was tried out for a job with the Brooklyn Dodgers this year without success, broke the world's record for home hitting here last night in a special competition in connection with Booster Day. According to the measurements of officials, Miller batted the ball 438 1-6 feet, which breaks Ed Walsh's record of 419 1/2 feet.

CANADIAN GOLFERS
AT PHILADELPHIA

Philadelphia, June 20.—Among a field of one hundred golfers from all over the country, who are participating in the annual classic Lynwood Hall Cup tourney, which opened yesterday, are two Toronto men, both of whom are looked upon by the knowing ones of the gallery as dangerous contenders. G. S. Lyon and A. Adams are the two Canadians who are teeing off against this powerful field. Mr. Lyon showed to much better advantage than Adams in the opening round by finishing seventh in the first sixteen, and turning in a card of 161 for the 36 holes. He did his first nine holes in 43 going out, made the next nine in 36 coming in, then on the final eighteen holes he did 38 going out and a 41 coming in. Geo. V. Rotan of Waco, Texas, led the field with 154, being followed by J. G. Anderson of Sylvania with 158. Adams finished in a tie with C. G. Dixon of Springhaven, among the third sixteen, with a card of 176.

A Swede and an American Wanted to Know Too Much.

London, June 20.—John Fagel of Sweden, and William Anderson Nelson, an American, said to be representatives of a manufacturing company of Camden, N.J., were fined £50 each at New Castle yesterday on the charge of attempting to obtain information about war vessels while visiting shipyards.

ALL ARMIES ARE CO-ORDINATED

General Brussloff Declares in Working Together Lies Success.

ATTACK BEGAN ALONG WHOLE FRONT

And Everywhere at the Same Hour, So No Part Could be Reinforced.

London, June 20.—Stanley Washburn, correspondent of the London Times, telegraphs an interview with the Russian General Brussloff under yesterday's date, quoting the Russian general as follows:

"Our sweeping successes are not the product of a chance or of Austrian weakness, but they represent the application of all the lessons we learned in our warfare against the Germans. The principal element of success is the absolute co-ordination of all armies."

"On the entire front the attack began in the same hour, and it was impossible for the enemy to shift his troops from one quarter to another, as our attacks were pressed equally on all points."

"The most important fighting has been in the sector before Rovno. Here we made our greatest advances, which are striking seriously at the strategy of the whole enemy front."

"If we are able to take Kovel, a railway centre extraordinarily useful for inter-communications of the Germans and Austrians will be in our hands. That this menace is fully realized by the enemy is obvious from the fact that the Germans are supporting this sector with all available troops that can be rushed up. Some are coming from the west, some from points on the eastern front north of us."

Asked to explain the hugeness of the captures as announced in the reports, General Brussloff said:

"The nature of the modern trenches which makes them, with their deep tunnels a maze of communications so difficult to destroy, renders them a menace to their own defenders once a position is taken from the rear or flank for it is impossible to escape quickly. Besides, we have had for the first time sufficient ammunition to use for a certain fire preventing the enemy from retreating and rendering surrender imperative."

With regard to the situation as a whole, General Brussloff said: "It is too difficult to estimate as yet what the political effect of our advance will be, but it will be certainly far-reaching in Austria-Hungary, and this yet, it is improbable, if not impossible for the Germans to send huge support to the Austrians."

"The fall of Czernowitz must have a profound effect upon Roumania and in the Balkan states. These first weeks have been extremely successful, but they are, I believe, only the beginning of our summer campaign. The Germans may in a small way be successful before they are finally defeated, but we shall, I hope, be pressing the war against them increasingly."

"The general situation has been further improved by the British fleet's action."

CROP CONDITIONS GOOD
In Spite of the Rain Western Prospects are Better Than 1915.

Saskatoon, June 19.—Crop conditions in many districts of Saskatchewan are better than this time a year ago. Rain has been plentiful all spring, and the warm weather of the past ten days has made growing conditions ideal.

CHIEF SLEMIN, C. C.

WOUNDED CANADIANS BAYONETTED BY FOE

Medical Officer Slain With the Men He Was Attending, Says Surgeon-General Jones—Heroism of Medical Officers.

Ottawa, June 20.—In a letter received to-day by Major-General Sir Sam Hughes from Surgeon-General Guy Carlton Jones, the latter pays tribute to the heroic death in action of two of the valued officers of the Medical Corps during the fighting near Ypres. In the course of the letter General Jones gives a further ghastly example of German "brutality," wounded and helpless Canadian soldiers and the men of the Medical Corps who were attending them at one of the regimental aid posts were bayoneted and murdered in the most brutal manner by the Germans who took the first line of trenches, he says. The Surgeon-General refers to this in recording the death of Captain W. R. Haigh of British Columbia, Medical Officer of the 1st Mounted Rifles. Captain Haigh was reported missing after the first day's fighting. When the lost ground was recovered by the

Canadians, the spot at which the regimental aid post was established, was found filled with the bodies of the men whom Captain Haigh had been attending. He himself with his assistants and the wounded men had been brutally bayoneted. A Splendid Officer Falls. General Jones, in referring to the death of Lieut.-Col. Turner of Mooseomin, Officer Commanding the Tenth Field Ambulance, says that he was wounded by a shell on the morning of June 2nd. He was taken to the dressing station at Ypres. Colonel Turner felt from the first there was no hope for him and asked to be left at the dressing station. In the faint hope of saving his life, however, he was removed to the casualty clearing station and operated upon. He died the following day. General Jones pays tribute to him as "a magnificent officer of exceptional ability."
