Strathcona. A twenty-four or twentyfive knot Atlantic service is to be given by ocean liners second to none in
the world. The transcontinental service from Halifax to Vancouver is to
be shortened, and on the Pacific an
eighteen knot service is to be established from Canada to Australia and
New Zealand, and also to Japan.

This large project, fraught with unestimable advantages to Canada, Mr.
Sifton believes will be the outstanding
result of the recent imperial conference and his statement has authoritative weight by reason of the fact that
he is himself one of the prime movers
in the scheme and has been for the

ADJOURNMENT

when counsel for the Canadian and Dominion Express companies appeared and asked that the investigation into warehouses, business blocks, public buildings and a large number * their rates be not proceeded with until of residences. Of the last named, the majority are substantial * next fall, as it would be impossible for the commission to be ready now to take it up before the long vacation. This led to some discussion as to whether the express companies were not increasing their rates so as to be preps red for the commission. Counsel * for both companies denied that-there was any intention of doing this and on condition that there should be no * increase of rates in the interim, Judge Killam entered an order postponing the investigation until November 1st. The rest of the evidence was rather discursive, Mr. Shepley examining sood many witnesses, and generally clearing up the loose strings in his case preparatory to an adjournment today until some time next week. Mr. Ethier appeared for the city of Montreal and laid before the commission tions of cases of infraction of the the city's complaints regarding the in- Lord's Day Act by a number of grocers
