Iceland From a Lava Wall.
The general impression that Iceland
is a cold country is a false one, says a
writer in Travel Magazine. In Reyk-
javik, the capital of the island, I one
day perched myself on one of the lava
walls and looked at a scene of summer
warmth and beauty. Familiar cows
and cats and hens were busy in the
sunshine. Children, thinly clad, were
playing about with shouts of merriment.
Potatoes were in full blossom,
and cabbage and various vegetables
added to the sense of homelike comfort.
But such days are oases in vast deserts
of rain, for if Iceland in summer is
not cold it is not comfortable.

Nothing is impossible to the man
who can will.

ROBBERY THE MOTIVE?

Victim of Trunk Murder Was
Carrying Large Sum.

Father Vartarian Too Cautious to Be-
long to Secret Society—Believed to
Have Been Murdered in Hoboken
—Would Not Entrust His Hoard
to the Bank—Police Suspect Three
Men.

New York, May 29.—With the police
of a score of cities searching the Ar-
menian colonies in their jurisdiction
and every available man on Captain
McCarthy's staff working in New
York City, it is expected that the
three men suspected of the murder of
Father Kaspar Vartarian, whose body
was found in a trunk on Sunday, will
soon be in custody.

It is believed now that Father Kas-
par was murdered in Hoboken. The
last time he was seen alive in Man-
hatten he was walking towards the
West 42nd street ferry with a man an-
swering Ermoylan's description and
a woman.

Robbery is now considered the sole
motive for the crime. Deliberate at-
rocious murder for the sake of two
thousand or more dollars the miserly,
itinerant, begging priest carried is
the sole theory on which the police
are now working or have been work-
ing from the start, as a matter of fact,
Vartarian was too cautious to involve
himself with any of the Armenian
revolutionary societies who carry on
continuous intrigue against the Tur-
kish Government.

Friends said Monday that he must
have had about \$2,000 in his posses-
sion when he was killed, for he could
not be induced to entrust his hoard-
ings to any bank. When he got too
much money to safely carry he would
send it home.

HAD GAMBLER IN STOCKS.

Reason For Double Tragedy At Bright
Found.

Woodstock, May 29.—It is now al-
most an established fact that the tra-
gedy at Bright Village, in which Wil-
liam McKie, the druggist of Kalamazoo,
Mich., who returned unexpectedly
and killed his aged mother, and
then suicided, was the result of finan-
cial difficulties.

McKie only bought a single-fare
ticket, was in a very non-communi-
cative frame of mind when he arriv-
ed, and burned all the late letters
which he had written to his mother,
and which might have told of his un-
easiness over the growing seriousness
of his position relative to the mine
speculations.

He had lost all his mother's money
as well as his own, had mortgaged
the home, and was in the hole with
his business for nearly two thousand
dollars, and had contracted large
loans from friends in Kalamazoo,
which he never hoped to recover from.

It was the Pearl Mining Company
of Boise, Idaho, that McKie was con-
nected with, he having been a director
and vice-president. He had gotten
friends to invest in the stock also.

KILLED BY WIFE AND SON.

Took Their Revenge For Years of
Torture.

Parkersburg, W. Va., May 29.—
Word was received here Monday night
of a murder in Ritchie County, near
McFarlan, in which a mother and
son killed the husband and father
while he lay asleep in his bed. The
victim was Harvey Yohe, farmer.
According to the reports, Yohe, after
a quarrel in which his wife and son
John participated, went to bed. It
is alleged that they stole to his bed-
room and fired two shots from a re-
volver, one entering his head and the
other his body. Mrs. Yohe and the
son gave themselves up to the au-
thorities, and are now in jail at Par-
kersburg. They acknowledge the mur-
der, and say they are ready to pay
the penalty. They say they had been
subjected to torture for years.

ASSAULT AND MURDER.

The Shocking Confession of Lawrence
Gowland of Killarney, Man.

Killarney, Man., May 29.—Lawrence
Gowland yesterday confessed to the
horrible crime of assaulting and mur-
dering Georgina Brown, near here,
last week. He is nearly recovered
from the effects of his own wounds,
and will receive a preliminary hear-
ing to-day.

Lunatic Fires House.

Brockville, May 29.—An insane man
named J. Deschamps, attempted to
burn his wife and family, near Ray-
mondville.

Getting up in the night he sprinkled
coal oil about the house and barn,
then touched the match. Fortunately
the inmates awoke in time to escape.
Nothing was saved in the house or
barn except one horse.

Judge Accused of Murder.

Covington, Ky., May 29.—Judge W.
G. Loving was yesterday indicted for
the murder of Theodore Fests, whom
he charged with wronging his daugh-
ter. Judge Loving pleaded not guilty
and was bailed in \$7,000, the surety
being Judge John D. Horsley of
Lynchburg.

Shoots Mother, Then Suicides.

Chicago, May 29.—Miss Philander
Swinnen, 30 years old, believed to be
demented, shot and killed her mother,
attempted to kill her father, and then
set fire to her garments and was
burned to death early yesterday.

French Battleship Launched.

Bordeaux, France, May 29.—The
new French battleship Verite, of 14,
635 tons and 18.6-inch main gun,
was successfully launched here
yesterday.

A Million Dollar Plant.

Bellefonte, Pa., May 29.—The Lehigh
Cement Co., whose works will be situ-
ated at Point Ann, about four miles
from here, have begun active opera-
tions.

SUNSHINE FURNACE

NOT SHAKING. JUST A GENTLE
ROCKING OF THE LEVER.

Shaking is a hard, back-breaking exercise,
peculiar to common furnaces, while you can
stand erect at the Sunshine—and moving the
lever, to and fro, about half the length of your
arm, a few times, is mere play. A child can
easily do it.

Grates of the Sunshine are in two sections—
right and left. By gently rocking the lever, a
few times, the ashes are released from the right.
Repeat the operation on the left and the ashes
from that side drop into the ash-pan, too.
You couldn't wish for anything easier than
the Sunshine Method.

When this lever is not in use it can be dis-
connected from the grates and the opening
capped. But when connected it fills up the
opening so snugly that no dust from the falling ashes can escape.

Every detail is thought of on the "Sunshine"—that's what makes it
the best.

If your local dealer does not handle the "Sunshine," write direct to
us for FREE BOOKLET.

The Nordheimer Permanency of Tone

As a rule when a person buys a piano it is
not with the intention of replacing it with a new
one next month, next year or within five years.
It is regarded as a permanent fixture in the
home, and the most important feature next to
the owners themselves.

It is evident that great care should be taken
to select a piano which will retain its original
brilliance, power and quality of tone for years
and years and years. And such a piano is the
"Nordheimer."

It has a lasting, permanent tone, as you can
prove for yourself if you play on one which has
been in the home of a friend for ten, fifteen,
twenty years or more.

The "Nordheimer" is perfectly constructed
by experts from the finest grade of materials
procured. It is built with the idea of not only
satisfying the most critical ear for tone-quality
when new, but for retaining its original superb
tone, so that it will still satisfy the critical ear in
years to come.

Those who own a "Nordheimer" are the only ones who
can truly appreciate to the fullest sense the wonderful, pure,
sweet, brilliant, yet powerful tone of the peerless "Nordheimer"
piano. May we not have the pleasure of a talk with you, with
the object in view of placing "Nordheimer" in your home?

Our Mr. R. V. Carter will visit Chatham frequently in our
interest and will be pleased to furnish you with any informa-
tion you may desire. Correspondence addressed to him in
care of the Garner House will receive careful attention.
