Tragic Death.

Wilbert P. Newcombe, of Dartmouth, met a tragic death in the back woods back of Dartmouth on Monday afternoon, in company with Jacob Trueb and a man named Oldburg. He left home to spend the day at a certain place. Trueb and Oldburg met at the appointed place, but Newcombe did not put in an appearance. Shortly after they heard the discharge of a gun but could not locate the sound. After waiting some time the two men decided to return to Dartmouth, and when they found their companion had not arrived arrived home they gave the alarm.

Fearing that the missing man had met with an accident searching parties were formed and set out to search the woods. Late that night Newcombe's body was found lying by the side of a small stream and his head was partially blown off. Undertaker McKenna was notified and brought the body to Dartmouth to prepare for burial.

It is thought that the unfortunate young man, in crossing the stream slipped and fell thus discharging his gun. Mr. Newcombe was 26 years of age.

Neuralgia and Sciatica

Caused great suffering for 25 years. Nothing effective until Dr. Chase's Kidney-Liver Pills were used.

"It should be possible to make favorably of Dr. Chase's Kidney-Liver Pills," writes Mr. W. T. Collins, Morphett, Ont. "I had been suffering for 25 years from sciatica, lumbago and neuralgia and tried nearly all the remedies advertised without any particle of benefit until I began the use of Dr. Chase's Kidney-Liver Pills. I noticed considerable benefit in my condition. I have so much confidence in these medicines that I have recommended them to dozens of my friends."

In several cases of this nature the combined use of these medicines brings results which are both surprising and satisfactory. The Kidney-Liver Pills regulate the action of kidneys, liver and bowels, while the Nerve Food enriches the blood and builds up the nervous system. Edmonds, Bates & Co., Toronto.
