Longboat cannot run at Madison
Square Garden woods in New York.
The President of the Athletic Club
refuses to let him enter, claiming
that he is not an amateur. It is
more likely the reason is that the
Pastime A. C. is not made up of
good sports. They know they would
have no chance with Longboat.

There are five or six real estate

hundreds of settlers will locate here
next spring.

It is reported that the C. P. R.

School Board Meets
A special meeting of the school
board was held on Friday evening
last. Present: The Chairman, W. J.
Brotherton, and D. Milne, J. Ken-
nedy, J. C. Colter, W. O. Niblock.
A letter was read from the Mer-
chants bank asking for information re
the financial needs of the board, sug-
gesting the sale of the new debentures
at an early date.

Mr. Niblock stated that he did
not want to put the balance of
the \$30,000 on the market under
present conditions, and thought it
better to wait until some improve-
ment in the financial situation was
evident. It all probably not more
than 90 could be obtained, and he
preferred to wait. There was no im-
mediate need of the money.
The secretary-treasurer stated that
the interest on money borrowed from
the Bank of Montreal would be at
the rate of seven per cent. in the im-
mediate future, as compared with
six per cent. in the past.

Calgary had baseball, hockey, curl-

A difference between Calgary and
Edmonton is that we could be
having baseball any old day, so far
as the weather goes, but we're too
busy. It's pretty hard to get ice
enough for a decent game. Why not
put up another baseball game? It's
a good advertising.

Talking about advertising warm
weather! The publicity commission-

tion to this is that it could not be
advertised by photographs.

Women's Hospital Aid.

The annual meeting of the Women's
Hospital Aid was held in the nurses'
home on Thursday Jan. 2. There
was a representative attendance and
as reports given by the officers were
most satisfactory. After the reading
of the reports Mrs. Waldo was ap-
pointed chairman, and the elections
took place, which resulted in the fol-
lowing being elected:
Hon. Pres.—Mrs. J. E. Niblock.
President—Mrs. J. E. Nicholson.
Vice-Pres.—Mrs. Hardy.
Secretary—Mrs. J. K. Drinnan.
Treasurer—Mrs. Noble.
Auditors—Mrs. Waldo and Mrs.
rauss.
Solicitor for new members—Mrs.
McWhirter.
Executive—Mrs. Nicholson, Mrs.
Hardy and Mrs. Finlay.
Mrs. Niblock is to act as secretary
until Mrs. Drinnan's return.

After the newly elected officers had
taken their places the usual business
was transacted. The officers are to
be congratulated on such a success-
ful year.

The following are the reports read:
PRESIDENT'S REPORT
To the officers and members of the
Women's Hospital Aid Society.
I have much pleasure in submitting
to you our fifteenth annual report.
We have had a very successful year
with a larger attendance at most of
our meetings than during the previ-
ous year. As our work has increas-
ed, owing to the addition of the new
wing, it has been suggested by one
of our members that we arrange our
work differently for this year and we
would like to see more of our mem-
bers coming to the meetings and
helping us in the interests of suffer-
ing humanity. For our February
14 entertainment we decided to send
out "Free Will Offering" envelopes
and realized \$224.00. In March, Ap-
ril and June from our club sales
\$94.20. At the laying of the corner
stone in July the ladies served ice
cream, cake and lemonade, clearing
\$23.65. In October the Artistic
Society consented to our serving
snacks during the two days of the ex-
hibition and we raised \$200.00 and
in November from the Kenney-Har-
vey concert we received \$57.00. You
will see by above statement that we
have raised quite an amount this
year, but it will be required for lin-
en, etc., for the new wing. There
will be no more to furnish and
the citizens could see their way
clearly to help along those lines.
It would be very acceptable. Death
entered our midst and taken two
of our members, one of whom was
an active worker and a past officer.
Our society extends sympathy to
their bereaved ones. Mrs. McWhirter
has been asked to attend our meet-
ings on account of illness but has
not neglected the work, having ad-
ded 67 new names to the member-
ship list. Thanking both officers and
members for continued courage and
assistance.

J. E. NICHOLSON,
President.

with a total membership of 483.

FELL DOWN STAIRS WITH CHILD
The following testimonial proves once again the superiority of
"Nature's Healing Balm," Zam-Buk. Mr. L. Spalding of 505 Erie
St., Stratford, Ont., says: "Some time back I met with a peculiar
accident while descending the stairs with a child
in my arms. I slipped, falling heavily on my left
arm and elbow, receiving a final wound. My arm
was inflamed, swollen and very painful. I tried
different preparations, but the wound kept dis-
charging and refused to heal. About this time my
brother suggested using Zam-Buk. I acted upon
his advice. Zam-Buk thoroughly cleaned the
wound, stopped all discharging and soothed the
pain and in four weeks the wound was nicely
healed. I have had perfect use of both elbow and
arm ever since and owe this good luck to the
wonderful healing balm, Zam-Buk and would
advise others to use nothing else." Zam-Buk cures
cuts, bruises, burns, sprains, festering wounds and
all skin diseases—all discharges and discharges—
and is post-paid from the Zam-Buk Co., Toronto.
