Your tention is our greatest reason

for adritising. The bulk of our stock is alway fresh and new, and does not requirto be bolstered up by advertising experations. Some old stock, no doubt, ut we have a habit every midsumm of clearing it out at such famously le prices that it does not remain long eyugh with us to really deserve the nag of old. The quickest way to sell su goods is to make them cheap enough With us cost does not influence th price of these goods. If they are no aleable down they go to prices which re bound to sell them, and which save nothing for the salesman to do it show them. As it would make ; interminable list we have not room touote our special reductions in the lines. Ask to see them and you aroound to get satisfaction.
