

"Listen, Rose."
Bud reads:
"Madam, your own white hands are the first to touch FIVE ROSES."
"For nearly one mile it travels through hygienic automatic processes—more and more spotless."
"Till in a clear creamy stream it flows into clean new packages, filled full-weight by infallible machinery—sewed automatically."
"Goodness!" said round-eyed Rose.
Bud reads eagerly:
"Hand-proof, germ-proof. Every littlest bit of machinery is bright—polished like those piano keys of yours. FIVE ROSES is healthy flour, wholesome, none like it. Unbleached, too."
"Nobody touches my flour—but me" said Rose.
Imagine such purity—get FIVE ROSES.

THE CLOSING DAYS

A Toronto Daily last week contained a despatch from a neighbouring city that aged 101 years had gone to the County Industrial Home, there to end his days, and he is said to have gone at his own request. But how the report starles us, that a man after fighting the battle of life for over one hundred years, has to end his days in a poorhouse! The despatch further stated that the old gentleman had a son of seventy-five and two grandsons of over fifty living in the same County. Naturally, the reader would think it strange that so old a course could have been necessary. But if the inner history were known, it would probably be revealed that the son and grandsons are in almost as bad a plight as the old man, and that he preferred to go to the poorhouse rather than to add to their burdens. The case is a pathetic one, but it is not unique—you hear of such every day—and the whole story emphasizes how terrible is an old age of poverty, and how important it is that we should regard youth as the springtime which soon departs, and wherein we ought to plant and sow all provision for a long and happy life. If the old gentleman had been in receipt of a Canadian Government Annuity of only \$200 his presence in the home of the son or grandson would have been a boon rather than a burden, and the cozy-corner would, no doubt, have been kept for him. He may have been a sober and industrious youth, but he had no system of investment which was absolutely safe, and which would yield him a bountiful return for the amounts which he might from time to time save; and so his money was spent or lost as fast as it was earned. But there is no such excuse for the boys or girls, men or women, of Canada to-day, for by the Canadian Government Annuities Act they are provided with a system by which their savings will be taken care of and invested by the Government, and under which they will receive a return larger than it would be possible to secure from any other safe investment, because when the Annuity begins each payment absorbs a portion of the purchased money as well as of the interest thereon, and if the annuitant lives the average number of years he may be expected to live he will get back all that he had paid in with accumulated interest at 4 per cent. If he lives beyond this period, the Annuity will not cease but will be continued to him every three months so long as he may live. The plan is available at any Money Order Office in Canada. The Postmaster will give you a booklet which will explain the system, and if you wish for information as to the cost, you need do is write to the Superintendent of Annuities, Ottawa, postage free, giving him your age last birthday, and he will advise you by first mail what this will be. Remember that it is the only absolutely safe plan by which your old age may be made free from anxiety, and happy and comfortable, and that it is the only sure plan by which a wage-earner or person on small salary can provide for the rainy day.

AT DEATH'S DOOR FROM KIDNEY DISEASE

SAVED ONLY BY "FRUIT-A-TIVES"

"FRUIT-A-TIVES"

CLANBRASSIE, ONT.

"Two years ago, the doctor made forty-four calls on me, and then said he had done all he could for me. I was suffering with intense Kidney Trouble and the situation had set in. Two other doctors were consulted and I agreed that nothing could be done to help me. On the recommendation of a neighbor, I took 'Fruit-a-tives' and they cured me. Today, I take 'Fruit-a-tives' as my only medicine. I am in excellent health, and 'Fruit-a-tives' is the medicine that cured me after I had been at Death's Door for months."

I am glad to be able to give you this testimonial. It may benefit some other woman suffering as I did. I can assure you I believe that I would not be alive today had I not used 'Fruit-a-tives'."

Mrs. P. H. WILSON
 "Fruit-a-tives"—by its gentle but action on the kidneys—completely restores these vital organs to their normal strength and vigor—and cures every trace of Kidney Trouble. "Fruit-a-tives" is the only medicine in the world made of fruit.
