The City of Moncton will adopt the plan of watering some of the streets from the hydrants, the idea originating in the Southern States, where it is working very satisfactorily. This plan might very well be tried in Newcastle.

Lance Corporal Geo. M. Mersereau, son of Mrs. Edward Mersereau, Blisfield, Northumberland Co., has died from the effects of a gun shot wound received while fighting with the 5th Battalion, which led one of the Canadians' latest attacks on the German trenches in Flanders.

About June 22nd Miss Lottie Corbett who is in charge of the operating room in the Moncton Hospital will leave for England to take a position at a Red Cross Hospital at the front. The Hospital Board has granted Miss Corbett six months' leave of absence, and she will go to Europe as a member of the Harvard Medical Corps, which consists of thirty-five doctors and seventy-five nurses.

Since the Advocate began a few weeks ago to go to press in the morning instead of the afternoon as formerly, the result is proving much more satisfactory to our subscribers, in that they now get the paper on time, instead of, as in many cases, ad ay or two late. This new change should prove equally as valuable to our advertisers. A better service along the Canada Eastern section is also being sought for, which, when satisfactory arrangements can be made, will prove of special benefit to our large number of subscribers along that line.

Lieut. Roy G. Muirhead has been selected as officer commanding the draft of 42 men from the 25th Field Battery, now mobilized at Fredericton, to go to the front as reinforcements for Canadian overseas batteries which have been depleted.

Lieut. Muirhead is a former resident of Chatham. Gunners W. C. Allison, W. D. Payne, T. A. Bayles, R. Crocker, G. A. Fleisher, C. D. Stewart, and Hardy Thayer of Newcastle, are among the number selected.

Unless the present plans are changed, the 26th Battalion will sail direct from St. John, instead of Quebec.

Mgr. Richard, the distinguished Roman Catholic father at Rogersville, is critically ill, and little hope is entertained for his recovery.

The band has received their new uniforms, and they expect to wear them out at their next band concert on the stand.

Rev. Frederick T. Wright, of Seal Cove, Grand Manan, Charlotte County, has been registered to solemnize marriages.

Lrvine Swift, the I. C. R. operator at Derby Jct., who was injured last week by a fall, died in the Victoria Hospital at Fredericton Saturday morning.

There was a heavy fall of rain early Saturday morning, and lasting well through the day. We have had only one fine Saturday and Sunday in about ten weeks.

The death of Miss Bordage, of St. Louis, Kent County, occurred in the Moncton Hospital at 2.30 o'clock on Wednesday morning, following the effects of an operation. The remains have been taken to St. Louis for interment.

The wholesale grocery of Campbellton have decided to close their places of business each day during June, July and August, except Saturday, at 5 p. m. On Saturdays they will close at noon.—Graphic.

The firm of McLaggan, McBean and Bell have started work on the concrete culverts at Victoria Mills where the St. John Valley Railway and C. P. R. tracks are being connected. This firm has been awarded the contract for the erection of the I. C. R. stations at Derby Junction and Humphries. The new stations are to be wooden buildings with concrete foundations.

Rev. S. A. Baker, pastor of the Reformed Baptist Church in Fredericton, has received word from his daughter, Miss Gertrude E. Baker, who has been in Boston, Mass., that she has been accepted for a position with the Harvard University Red Cross unit which will form a base hospital back of the British lines in Northern France and Belgium.

Miss Margaret Phair, daughter of Mrs. William Phair, Springhill, N. S., sailed from New York last week to join the Red Cross Nursing Sisters who are attending to the wounded soldiers fighting in Europe. Miss Phair is not attached to any corps of nursing sisters but is going to Europe independently, paying her own expenses. She is leaving a lucrative position in New York.

**THICK, GLOSSY HAIR FREE FROM DANDRUFF**  
Giriel Try It! Hair gets soft, fluffy and beautiful—Get a 25 cent bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a 25-cent bottle of Knowlton's Danderine from any drug store and just try it.

### DIVERSITY OF WORK IN NOVA SCOTIA

The Census Shows Many Fields of Activity—Substantial Growth in Ten Years

Nova Scotia looms much larger in the industrial census than her own citizens think. She has already become an important manufacturing province, as the following figures from the 1910 census show. It should be noted that the totals have increased considerably since these figures were compiled in 1911:

Population 1911 1901 Capital

Amherst ..... 8,973 4,964 \$15,765,768

Glouce Bay ..... 16,562 6,945 28,500

Halifax ..... 46,619 40,832 14,068,713

New Glasgow 6,383 4,447 1,063,398

Nor. Sydney, 5,418 4,646 159,500

Springhill ..... 5,713 4,559 52,500

Stellarton ..... 3,910 2,335 648,583

Sydney ..... 17,723 9,909 24,623,033

Sydney Mines 7,470 3,191 1,935,000

Truro ..... 6,107 5,993 2,065,085

Yarmouth ..... 6,600 5,430 1,640,732

#### Salaries and wages

Amherst ..... \$1,147,427 \$4,625,765

Glouce Bay ..... 26,609 132,500

Halifax ..... 1,735,348 12,140,409

New Glasgow ..... 346,466 1,034,572

North Sydney ..... 53,360 168,900

Springhill ..... 10,113 40,200

Stellarton ..... 47,361 200,510

Sydney ..... 2,231,327 9,395,017

Sydney Mines ..... 287,618 2,640,161

Truro ..... 298,821 1,334,520

Yarmouth ..... 220,604 1,198,376

With imports shut off from Continental Europe and more or less handicapped from Great Britain during the war, it is altogether likely that the industries of the province will benefit rather than suffer an injury during the next year. As the factory and its workers provide a market for the bulk of the products of the Nova Scotia farmer the prosperity of the people should not be adversely affected. The urban population of Nova Scotia will require just as much to eat from the farmers of Nova Scotia during the next year, as they have in the past few years, and if the farmer is prosperous all allied industries are prosperous.

Nova Scotians would do well to patronize the products of their own industries, particularly during the war, if they wish to see the activity of their industries maintained to capacity.

The nine suspects arrested in Moncton on Thursday have been released, as the police now believe they knew nothing of the recent robberies, and are just common thugs.

# WHO WILL ENLIST IN THE 55th BATTALION?
