To Select Conscription Board

The Conscription that has been adopted in Canada is selective conscription, the intention being not to take men who are engaged in vital industries and who cannot be spared. Agriculture, mining and fishing are industries that will be largely exempted, although the tribunals will have to deal with specific cases.

RED CROSS APPEAL

An appeal is being made by the Canadian Red Cross Society for Xmas stockings for our wounded soldiers in the hospitals. The Newcastle Branch intend filling the stockings, Tuesday afternoon Sept. 25th and an earnest appeal is made to the public to help in bringing joy and pleasure to our brave boys.

We hope that this year the message of cheer will not be lacking and that our boys who find themselves in hospitals far from home will know they are not forgotten by us on the day which is so dear to us all.

In order that every man should receive gifts of approximately the same value it is suggested that each stocking should contain one gift out of each of the following classes:

- 1—Pocket mirror, cheap style; pocket pencil, pocket knife, pipe or match box.
 - 2—Writing pad and envelopes, fancy post cards.
 - 3—Cigarettes and tobacco.
 - 4—Candies, chocolates preferred, chewing gum.
 - 5—Handkerchiefs, neckties, socks.
 - 6—Games, books, puzzles, mouth organ.
 - 7—Soap, toilet powder, tooth paste, pin cushion.
 - 8—Raisins, dates, figs.
- Donations from any of the above will be received at the Red Cross room, Tuesday afternoon Sept. 25th B. C. CROCKER, Sec'y

Dear Mother:—
