That laundry work when done in the country, where it can be bleached out-of-doors, always looks better, is more wholesome, and is a means of preserving the goods from 25 per cent to 50 per cent longer than where these advantages do not obtain.

**THE COUNTRY LAUNDRY CO.**

Has just installed an up-to-date plant, where every facility for doing modern laundry work has been provided, from rough dry to the most dainty article of ladies' apparel. The Company's wagons will call around for your laundry on receipt of a card addressed to P. O. Box No. 2. Special attention given to steamship and contract work. No contract too large and no item too small to receive prompt attention. Send your laundry work to
