Old English Quality

And North American Style

In our Tailoring we couple the smarter style of the Western Hemisphere with the sterling quality of the English Cloth.

Good judges say that the "thoroughbred look" of CHAPLIN Clothes is intuitively recognized.

This season we have the real high-steppers and the most aristocratic curves and designs in our Summer Suit Models.

CHAPLIN,

THE BEST

and nothing but the best goes in the garment made at Maunders. Our assistant cutter and foreman tailor have just arrived from New York where they have been studying the very latest in Cut and Style and how it is done.

Remember, we have the largest selection of up-to-date tailoring goods in the city. Come right along and have the "Maunders make." Certainly some style.

In Ayrshire, Scotland, where the production of milk and cheese has been brought to the highest point of development, "Scotia" Dairy Meal is consumed in thousands of tons.
