TRICKS IN WARS!
DISGUISED SOLDIERS!

Although it is a common practice, it is not considered to be playing the game for soldiers to disguise themselves in the enemy's uniform for the purpose of facilitating an approach. It is quite legitimate, however, for an enemy to wear captured uniforms, if their own are too mutilated or weather-worn to protect them. In such a case all distinguishing badges must be removed, and some conspicuous sign must be worn on the annexed garment to denote the nationality of the wearer.

You can hardly blame a soldier for discarding his soiled, dirty uniform for one that has just been Dry Cleaned. This is a common occurrence.
