TORIC LENSES

ARE MORE BECOMING THAN FLAT LENSES.

The edges of Toric Lenses do not show as prominently as those of flat lenses. They fit in close to your eyes. You will find Torics much more becoming and useful. They give you a wider, clearer field vision. You should know about Toric Lenses. Let us explain them.

## Published by Authority

On recommendation of the Tonnage Committee of the Executive Council, and under the provisions of the War Measures Act, 1914, His Excellency the Administrator in Council has been pleased to approve the following Regulations respecting the sale of household Coal:—

- (1) Because of the present serious conditions in the coal producing centres and the limited stocks held here, it is hereby ordered that no coal vender in the city of St. John's shall sell or deliver after this date to any household, family or tenement holder more than one-quarter ton (560 lbs.) of soft coal per week until further notice. Any person receiving a supply of coal under this regulation shall not transfer it to any other person.
- (2) It shall be incumbent upon the coal vendors to establish such machinery as shall be necessary to prevent any person from purchasing from two or more vendors a larger supply per week than he or she is entitled to under these regulations. Any person attempting to obtain a larger supply than he or she is entitled to under these regulations will be guilty of a breach of the same.
- (3) Any person feeling aggrieved by this order shall furnish proofs to the Tonnage Committee that the weekly allowance provided herein is insufficient to carry on his ordinary business or trade, and the decision of the Tonnage Committee shall be final.
- (4) The vendors shall furnish on Monday morning of each week to the Tonnage Committee a certified list of the names and addresses of all persons to whom they have sold or delivered coal during the previous week, and the quantity sold or delivered.
- (5) Any cartier delivering coal to any person other than the person named on his delivery note shall be guilty of a breach of these regulations.
- (6) Any person having a supply of coal in stock shall not be entitled to purchase a further supply until his stock is less than one quarter ton.
- (7) The penalty for any breach of these regulations shall not exceed \$500 with or without imprisonment not exceeding three months.
