TRADING ON MARGIN.

We have several good stocks that we can recommend to marginal traders on a deposit as low as \$20 and up to \$100 that we believe will net the investor about double his money during the coming four months.

Representing a big New York firm, we can handle your buying or selling orders in any stock or bond traded in New York, but there are certain few stocks that we can suggest to clients as likely winners on a big scale.

Come in with \$20 to \$50 and ask us to suggest a good "buy" for you.

We don't make money unless you make it.
