WE beg to call attention to Mr Horsman's advertisement about Ploughs E beg to call attention to Mr Horsman's advertisement about Ploughs.
The Plough referred to is having a large
demand, so great has it become that three
car loads have been forwarded to Mr.
Horsman to supply the farmers in this
neighborhood this Spring. All pronounce
them the best general purpose Plough
made; as a guarantee of this we need
only say that they are manufactured at
the celebrated Agricultural Works of F.
W. Glen, Oshawa. The price it will be
observed will be kept at \$13, the old figure, until the 1st of April, when it willbe
raised to \$15 in consequence of the advance in Iron and Steel. We should
therefore recommend our farmer friends
to loose no time in procuring one at Mr.
John Horsman's, Hardware Merchant of
this town.
