A SMALL MARKET

Hay Was the Only Offering on

Local Square Today. Although today was a regular market day, the attendance was not as large as that of yesterday, and the only offering today was hay, which sold at \$14.50 and \$15 per ton. The rise in the price of hay was due to the small supply offered last week.

Do You Feel Moody, Irritable, Depressed?

When That Languid, Laggy, Easily-Tired Feeling Comes, Your Liver Is Slow.

Tells How To Cure Quickly.

"Even when I was young I was not

robust and healthy like other girls. I suffered from headaches, and had sort of blue feelings that deprived me of the joyful spirits and pleasures other girls seemed to get. After I married I found I could not throw worries off like other women, and those dull feelings of despondency worries off like other women, and those dull feelings of despondency and weariness made me very unhappy. There was no cause to feel so, and my doctor said my liver was sluggish, and this accounted for my poor color, my tiredness, languor and despair. The pills the doctor gave me were too purgative, made me weaker, because they were too active for my constitution. Dozens of my friends recommended Dr. Hamilton's Pills, and they were so mild and helpful. Well, I never used a pill that acted so quietly as Dr. Hamilton's They were so comfortable to use, I was afraid they might not help. But in a week I knew they had been actively engaged in cleaning up my system. They did the work of a tonic and blood medicine combined. I improved to a marvelous degree with Dr. Hamilton's Pills, and I now maintain the most perfect kind of health by using them just once or twice a tain the most perfect kind of health ushers were Messrs. It is Mrs. E. V. Erlanger, well known at Gloucester, who relates the above experience. She proved what you and all others, men and women, can prove—that Dr. Hamilton's Pills are best for restoring health and best for keeping the system in perfect running order. Don't be misled into using anything but Dr. Hamilton's Pills, 25c a box, five for \$1, at all druggists and storekeepers, or post-paid by the Catarrhozone Company, Buffalo, N. No More Neuralgia Headache Cured

A Journalist Tells of the Advantages of Keeping Nerviline Handy on the Shelf.

Fifty years ago Nerviline was used rom coast to coast, and in thousands f houses this trusty liniment served the entire family, cured all their minor ills and kept the doctor's bill small. Today Nerviline still holds first rank in Canada among pain-relieving remedies-scarcely a home you can find that doesn't use it.

From Port Hope, Ont., Mr. W. T. Greenaway, of the Guide newspaper staff, writes: "For twenty years we have used Nerviline in our home, and not for the world would we be without it. As a remedy for all pain, earache, toothache, cramps, headache, and disordered stomach I know of no preparation so useful and quick to relieve as Nerviline."
