Butter will likely remain at a firm high price, for several weeks; and eggs, which reached the low figure of 20 cents a dozen, retail, on Saturday, are expected to be cheap until just before Easter. The scarcity of butter at this time of year is accounted for, to some extent by the fact that cheese factories through the country have opened about a month earlier than usual. Cheese brings five cents more per pound as a rule than it sold for last year. Fair-quality cheese sells at 17 cents a pound.

Talbot Street Church Crowded To Hear Dr. Fikes In Farewell Addresses.

Talbot Street Baptist Church was packed to the doors for each of the three meetings which Dr. M. P. Fikes addressed yesterday on the last day of his campaign here. During the day up wards of sixty people confessed Christ making a total of about 340, who have come forward during the course of the campaign. In the evening Dr. Fikes spoke on

the subject, "Christ's Message on the Last Great Days of the Feast.'s To the people who come to the temple to worship and perform their ablutions Christ said: "If any man thirst let him come to me and drink." "Who is the man who professes to be able to quench the thirst of the soul?"

asked the speaker. "He is the man who healed the sick, caused the blind to see. and the deaf to hear, who raised the dead, and stilled the storms, and burst the bars of death himself. He who has power to do all these things surely can say "if any man thirst let him come unto me and drink." The soul, Dr. Fikes said, could never quench its thirst at the cisterns of the

world's life. The soul's true mate was God, and separated from God it was truly lonely, wondering and restless. The things of the world never could sat-People might try to gain satisfaction from the things of time and sense, but always failed. The soul found true sat isfaction only in God. The subject of the morning address was "Chambers of Imagery." and Dr

Fikes took as his text the passage from Ezekiel, describing how the children Israel wandered back to idolatry and s and how in the inner chambers of t temple even the religious leaders of the people were worshiping idols. 'God's Masterpiece' was the subject noon. This, the preacher said, was not as so many people thought, the ccean the mountains or the skies, but ma

George Branton, the famous bo prano, from Toronto, sang beauti solos at each of the services, rendering 'Crossing the Bar' in the morning "Hosannah" at night. His magnificent voice was very highly appreciated by the congregation During the day Dr. Fikes addressed If you are looking for Splendid Bargains in Ladies' Ready-to-Wear Garments, Furs, Millinery,
