Life and Character Reading.

APRIL 15. The governing sign of this date is Aries, the sign of Sacrifice. These people are usually very sure that their conclusions and criticisms are unassailable, they usually have a strict code of the times when facts prove them to be wrong. These people need no stimulants, and they should not be. They should not surrender themselves to the body and soul to their friends and their pursuits, but learn to listen, wait and expect the higher revelations of life and truth, which is theirs to command. The governing planets are Neptune and Mars, Neptune rules the waters, and Mars the god of war. People born on this date are under special planetary favor and will do well to make new deals and to close contracts on this date. The Want Ads are your best friends.
