Hopes for an early settlement at an early date appeared to be based chiefly on the attitude of President Grabel, of the Maintenance-of-Ways Employees' Union, who came to Chi-cago today from Washington, where he held a conference with President

Mr. Grabel said he would confe with the members of the United States Railroad Labor Board here to get support to prevent carriers from requiring maintenance-of-way men to do strikers' work. He also said he had called a meeting of the brotherhood grand lodge to be held

Harding.
