the German front line. Their seven that better peace terms could be uction. Small turkers were selling at machine guns opened fire on us as we manded from the Allies. On the 125 marks, and English tea, when sa a consequence the German woman is as bad as the German himself."

Soap was the means of fr nishing us with the necessary funds with which the hide when avoiding passing enemy transports. About two hundred through with the result that in March to see the little of Berlin which we through with the result that in March to see the little of Berlin which we then they saw the fire of our machine burning, formed a great circle around the spot, and by means of man, every piece of transport and every that I have seen. The architecture office. A vacanf looking chap studied up to one of the civilian officials. machine burning, formed a great circle around the spot, and by means of man, every piece of transport and evhisting, they gradually closed in upon us. We managed to dodge them, but were finally taken when an officer of the Hun search party was with in twenty feet of us. It was about the o'clock at night when we fell and about 2 p.m. when we were captured. In the meantime we had travelled about five miles."

This is the simple manner in which Lieut. Heine told The Transcript the story. Surely it needs no special words to read between the lines, the untold story of the pluck and the resourcefulness of these two gallant officers. Lieut. Heine proceeding said:

"When Captured We"

The architecture of the In have seen. The architecture is absolutely beautiful, but owing is absolutely beautiful, but owing is absolutely beautiful, but owing the above objectives, as the people when the Gerran to mention how near they came to similarity becomes monotonou. Name?" said the latter.

"Leaving Berlin We Arrived

"Leaving Berlin We Arrived

"Leaving Berlin We Arrived

"Herbert Jones."

"Age?"

The preliminaries were cribbled, the poule of the civilian pode of the civilian officer. The snan undressed and stood shive we stayed for three weeks, awaiting the arrival of our ship at Danzie was behardest of all my expensione.

The three weeks spent at this came was behardest of all my expensione.

win the war, and they believed that with pear and fig leaves boiled for the floor with your hands? with millions of Americans behind the flavor. Many officers became so weak. The applicant attempted to ca British, that it was useless to fight, The City of Metz, and stated to me in his words "Now main in bed all day in order that the lapsed, which had been bombed by our airwhich had been bombed by our airwordstream are existing." This office, are existing the able to stand the journey "H'm." said the doctor, our which had been bombed by our airmen the previous night. Hundreds
of women and children were still restated that as Germany was 'kaput'
t Dantzic about five o'clock in the fast as ever you can: I want to

ing all that part of the enemy's front line.

"We were not taken into the city "We were not taken into the city "as prisoners, and therefore we could not observe the particular damage done. Under these circumstances you can understand that there was considerable feeling on the part of the German civilian population against us, which was shown in very strong expressions of hostility. Indeed some threats were made at us, but the German guards protected us officially, they being responsible for our safe delivery to their military authorities.

"From Metz we were taken to a hospital station at St.Avold. After a stay of two weeks a very rigid and stern series of interproactions by a very intelligent German."
