Alberts' Thomas-Phosphate Powder

THE BEST TOP DRESS FOR GRASS LANDS AND NEW CLOVER MEADOWS.

Thomas Murray Bell, of St. Mary's, Ont., in writing of Alberts' Thomas-Phosphate Powder, says: "I used it in the Old Country with marked results, especially on pasture lands and root crops. One year I used it side by side with bone meal (costing more), and what pleased me most was that the following crops of gram and grass were much better than where the bone meal was used. In fact I have no hesitation in recommending it to farmers for any crop."

GUARANTEED ABSOLUTELY FREE FROM SULPHURIC ACID.

Gives more lasting results, is cheaper and more reliable than any phosphate yet known to commerce and science.
