THE SAVING of money is like the saving of time. If done at all it must be done systematically.

HABITS of saving can be cultivated just as easily as habits of spending.

IT IS the dollars saved, not those earned, which measure the degree of our future wealth and prosperity.

⌘

CO-OPERATIVE loan and savings companies are acknowledged to be the most successful financial institutions of the present age.

The PHENOMENAL growth of this system can only be attributed to the fact that it has proven a great blessing to those who have availed themselves of its advantages.

MOST MEN can afford to save ten dollars per month.

Stop and Think

what that saving will amount to if continued for eight years and eleven months, viz: **\$1,500.**
