HOLLOWAY'S OINTMENT!!!

An Astonishing Cure of two Malignant Abscesses, Besides a Wound in the Thigh of Nine Inches long, laying the bone completely bare.

EDWARD WHITE, residing at 45, Clement's Lane, Strand, London, was an In-door patient at King's College Hospital, for two Malignant Abscesses in the Thigh, and a Wound Nine Inches long, which laid the bone completely bare on the same limb. He could neither sit, stand, or walk, but was obliged to lie continually on his back. He remained at the above-named Hospital during a period of Five Months, at the expiration of that time he was informed that "nothing more could be done for him." He was then carried to his home in a coach, when he commenced using HOLLOWAY'S OINTMENT AND PILLS, which immediately gave him relief, and ultimately cured him, after every other means had failed.

An almost Miraculous cure of a Bad Leg!
Of Five Year's standing. The Patient had been Discharged from Guy's Hospital, without deriving the LEAST BENEFIT from that Institution.

Mrs. FRY, residing at No. 35, Trafalgar street, Watworth, London, was some time since admitted as an In-door patient at Guy's Hospital, with a Bad Leg of Five years' standing. The flesh on the leg was in some places nearly as hard as bone, it resembled in appearance the trunk of an old tree, being in knots and lumps; it was greatly swollen, and NINE FRIGHTFUL ULCERS in it; she derived no benefit whatever at the Hospital, and returned to her home. Her case was so bad that for three years she was carried up and down stairs every day like a child, being perfectly helpless. She was in this deplorable state when she commenced the use of HOLLOWAY'S OINTMENT AND PILLS, which, in the course of about Three Months, performed a perfect cure when every other means proved unavailing.

A Man's Face Prevented from being Eaten away
By Cancerous Sores, by means of "Holloway's Ointment and Pills."

JAMES WEBB, a Brewer's drayman, residing in Robin Hood Court, Leather Lane, Holborn, London, had a large hole which went through his cheek and several other Ulcers which were on both sides of his face, eating all the flesh from it. He was an in-door patient in Charing Cross Hospital for six months, without being able to get a cure. He expected that nothing could save his life until he was advised, as a last resource, to use "HOLLOWAY'S OINTMENT AND PILLS," which immediately stayed the ravages of this terrible complaint, and ultimately healed all the Cancerous sores, and with the exception of frightful marks in his face, he is as well as ever he was.

A Case of a Loathsome Skin Disease, Attended with Dreadful Swellings of the Whole Body, that had resisted the treatment of nearly all the Hospitals in London, cured by Holloway's Ointment and Pills.

A child five years of age, named JONES, whose father is a shoemaker, living at No. 4, Horse Shoe Alley, Wilson street, Finsbury, London, have been afflicted from the age of sixteen months old, with fearful and dreadful swellings all over her body, which used to affect her periodically; at such times her face would change its colour and remain perfectly BLACK; her body was always covered with large malignant sores. For this unknown complaint, the child was taken by her mother to nearly all the Hospitals in London, and most of the surgeons of eminence; none appeared to understand her disease, and she got no better from their treatment. As a forlorn hope HOLLOWAY'S OINTMENT and PILLS were tried, which not only gave relief but completely eradicated the disease from the system, so that the child is now restored to perfect health and not the least vestige of the former complaint remains.
