

of articles on subjects of practical and scientific agriculture, adapted to the wants of the Province; that the Reports of Societies be added as an Appendix to the Annual Report of the Board; and that the whole be printed in pamphlet form in time for the meeting of the Legislative Assembly. It is believed that such a Report, carefully prepared, would present to the Members of the Legislature a representation of the actual condition and working of the Agricultural organization throughout the various Counties of the Province that could not fail to prove of interest and use. It is hoped, therefore, that the proposal will meet with the approval of the Legislature, and that the Government will authorise the necessary printing, as in the case of Departmental Reports.

By order of the Central Board of Agriculture,

J. WINBURN LAURIE, *President*,
GEORGE LAWSON, *Secretary*.
