

REV. NEIL MCKAY, Chatham, N. B., also paid us a visit, and as president of the Alumni gave us every assurance of support from those very loyal friends of our college. He has since contributed an interesting article to our journal which appears in the present number.

REV. J. D. MCFARLANE gave us a call this week, We do not know what business brings him to Halifax, but we think it more than likely that some *one* knows. There is a vacant chair in his manse, but we can trust to Mac. to get it filled in due time.

MR. JOSEPH DEE is spending his 3rd year at the college. The students are all *fired* by his genial person, and hopefully look forward to his taking a post graduate course.
