Dokan Sin,—We have been using your oil on our machinery for some years, and have no hesitation in saving it is the only good oil of the kind we have over had, and it is the very best machine oil we have over used. We recommend it to all our farmer customers as the best oil they can possibly buy. We suggest that you put it up in a gallon cans for their use, and we feel sure twill soil freely. Any one who gives it a trial will continue to use it.

Yours truly, F. W. GLEN, President.
