Commercial Summary.

The Canadian Pacific Railway traffic receipts
for the week ending September 7th show an
increase of \$34,000 over those of the corres-
ponding period last year, when the receipts
were \$112,000.

The traffic receipts of the Grand Trunk
Railway for week ending Sep. 6th, were as
follows:—Passengers, \$132,535; mails and ex-
press, \$13,000; freight, \$216,869; total \$362,-
404, a decrease of \$31,841 from the correspond-
ing week last year.

The Times, an evening paper of 32 columns,
has at length made its appearance, and may be
expected, judging from the numbers we have
seen, to be an organ of the opposition. The
Times will, we have no doubt, be conducted with
energy and talent, and, we hope, with success.

The Grand Trunk Railway traffic receipts for
the week ending September 6, 1884, were as
follows:—Passengers, \$132,535; mails and
express, \$13,000; freight, \$216,869; total
\$362,404, a decrease of \$34,841 from the cor-
responding week last year.

The receipts of hogs in the Chicago and
other western centres continue to fall consider-
ably below those of a year ago. The Cincin-
nati Price Current of September 11 says:—
Packing returns for the week show a total of
75,000 hogs handled by Western packers com-
pared with 105,000 for corresponding week
last year. Increase in packing since March 1st
280,000 hogs.

The price of cochineal has advanced 1c in
the American market during the past week,
owing to an expected shortage in the crop of
50 per cent, which has been brought about by
the price receding to 25c, which was below cost
of production, 37½c being the lowest price
at which it is remunerative to growers. Prices
in Boston are quoted at 23c to 25c for Tenerife
Silver, 26c to 27c for black, and 28c to 29c for
ray black.
