

THE HEARTHSTONE.

THE REPROOF.

Within the last very few years a field of subjects, new in modern annals of painting, has been taken possession of by several artists both here and abroad. We allude to the representation of Greek and Roman scenes, both historical and domestic; and a most agreeable variety of subjects of this class present in companionship with others depicting incidents of far later times, or of our own life.

Two Belgian artists have, among foreigners, especially distinguished themselves by works of this kind, Alma Tadema and Joseph Coomans; "The Reproof," which we now engrave is by the latter artist. A young Greek boy, who may possibly grow up to be a Leonidas, a Miltiades, a Pausanias, or, it may be, a Plindar or a Thucydides, has been guilty of some misconduct—perhaps broken his mother's distaff, which lies on the ground—and the lady calls the delinquent to her side to read him a lecture; but the "reproof" is given with true maternal gentleness, the smile on her face almost contradicting her words, while the little fellow looks upward to his mother as if half ashamed of himself, yet assured of pardon. The group, with its surroundings, has somewhat of a statuesque character, yet it is unconstrained and perfectly natural; while the negligent arrangement of the masses of of drapery gives great richness to the composition, and affords the artist opportunity for brilliant colour.

The administration of parental justice takes place on the vine-covered terrace of the villa overlooking the sea; perhaps, on one of the "glorious isles of Greece," which to this day are the delight of travellers.

POWER OF SPEAKING RESTORED.

NEWARK, ONTARIO, D. C., March 20, 1870.

MR. FELLOWS:—

Sir,—Some two months ago my son lost his voice. I became very anxious about him. None of the physicians could do him any good. Having heard of your Compound Syrup of Hypophosphites, I obtained a bottle: strange to say, my son's voice was restored about two hours after taking the second dose. You are at liberty to publish this for the benefit of other sufferers. JONAS FOTHERLINGILL.

When desired, Gentlemen's Watches will be sent instead of Ladies' of the same value and quality. Every one sending us a club of 5 Subscribers at \$2.00, will receive the HEARTHSTONE for one year, and the Presentation Plate, FREE.

All those obtaining prizes are entitled moreover to the HEARTHSTONE, for one year, free. The Sewing Machines above mentioned are all manufactured in Canada, by Messrs. C. W. Williams & Co., Montreal, (with whom a contract has been made for the delivery of as many of each machine as we may require); they are fully equal if not superior to the very finest machines of American manufacture, and represent a value nearly double of the figures above quoted, if the price of the American machines be taken as the standard. All who receive one of these machines will have entire satisfaction with it. The machines all sew with two threads, and do either the lock stitch, or the double loop-stitch, neither of which will rip.

Further, any person entitled to receive a Sewing Machine and desiring one of higher price, can have it by paying the difference to the manufacturers. The Gold and Silver Watches offered as prizes are all first class and imported for us by a leading house in Montreal, (Messrs. Schwob Bros.) Each watch will be sent, post or express paid, in a neat case; the cases for the Gold Watches of high price being beautifully finished with inlaid woods.

Those who prefer to canvass for cash prizes, that is to say on commission, and compete at the same time for the Grand Premiums mentioned in the next list, may do so: Thus, any one having formed a club of 5 (and receiving in consequence the HEARTHSTONE free) may retain 25 cents out of every subscription collected, thence forward, and the remittance of the balance, \$1.75, will be counted as a full subscription in the competition. The club of 5 will also be included.

THE FOLLOWING GRAND PREMIUMS

will be given IN ADDITION to the prizes and commissions above mentioned, to the most energetic and successful canvassers.

FIRST GRAND PREMIUM.—For the largest number of new subscribers sent by one person before the 15th April 1872.—BE THAT NUMBER WHAT IT MAY,—ALL HAVE A CHANCE: A Grand Square 7 octave Piano-Forte, rosewood case, rich mouldings, and of the finest tone.....Price, \$400.00

SECOND GRAND PREMIUM.—For the next largest number of subscribers sent by one person before the 15th April 1872: A Splendid 6 octave double-reed Parlor Organ, C Scale, in Solid Walnut Case, Sunk Panels, Richly Carved, No. 1 Ivory Front Keys, Music Closet, Four Stops, Bourdon, Melodia, Viola, Picolo.....Price, \$155.00.

THIRD GRAND PREMIUM.—For the next largest number of subscribers sent by one person before the 15th of April 1872: A beautiful Single-Reed Parlor Organ, in Solid Walnut Case, Richly Carved, Sunk Panels, No. 1 Ivory Front Keys, with Music Closets.....Price, \$100.00.

FOURTH GRAND PREMIUM.—For the next largest number of subscribers sent by one person before the 15th of April 1872: A fine Single Reed Parlor Organ, in Solid Case, Sunk Panels, Elegantly Carved Ornaments, name-board finished in jet and gilt.....Price, \$65.00.

It is evident that one person may, not only win a GRAND PREMIUM and ONE of the prizes on the first list, but SEVERAL of the latter; either by working for them successively, or by taking two or more prizes of less value, equivalent to the one represented by the number of subscriptions sent.

Those who prefer canvassing on CASH TERMS ONLY, and who do not wish to compete for the GRAND PREMIUMS, can take advantage of the club terms offered elsewhere. These offer more immediate profit, but exclude from obtaining prizes, or competing for the GRAND PREMIUMS. Subscriptions taken for the HEARTHSTONE 1871 and 1872 for three dollars, (including Trumbull's Family Record and the splendid Engraving given to every subscriber for 1872) will be counted as one and a half subscription, in the competition for the prizes and GRAND PREMIUMS.

Send in subscriptions as fast as obtained, so that parties may receive the paper at once. Give the correct name and address of every subscriber. Use Bank drafts, Post Office money orders, or register your letters when remitting; otherwise the money is at your risk.

All subscriptions will be reckoned from the 1st January, and the papers so sent, unless otherwise specified.

All who wish to canvass with greater speed and more success, should remit us \$1.00 for a copy of the Presentation Plate.

NO ONE WHO SEES THE ENGRAVING CAN REFUSE TO SUBSCRIBE.

In fact, those who have the money should secure at once a number of the Presentation Plate, by sending as many dollars, so that while canvassing, they may close each transaction at once by leaving with the subscriber his copy of the engraving.

The money so received will be placed to your credit on account of your future subscribers, and you will have so much less to remit when sending the names.

Opposite the names of those to whom you have delivered the Presentation Plate, state the fact. Each competitor will state when first remitting, whether he or she prefers club terms, cash commission, or a prize; also indicate what prize is aimed at, so that as soon as the number of subscribers required is reached, the prize may be sent.

Watches will be sent by Express, or parcel post, prepaid. But the freight or express charges on sewing machines, or musical instruments from the factory to the residence of the winner, by the road and conveyance he will indicate, will be paid by him, and will be the only expense he will have to incur.
